River Falls Ranks First In 1926 Placements

Ninety-Four Percent Of Last Year's Class Teaching This Year

TRAINING DEPARTMENT HEAD GIVES OFFICE RECORD IN ASSEMBLY

Ninety Percent of Grads Make Good

CHIEF CAUSE OF FAILURE IS IN CONDUCT, REPORTS MR. JOHNSTON

"The Western Wisconsin State Teachers College ranked first in the state in the placement of graduates last year, said Mr. Johnston, head of the Training School Department, in a report before the student body last Thursday, April 21.

"158 graduates out of a class of 169 were placed in teaching positions last year. In other words, 94 per cent of last year's graduates secured jobs for their first year out. This is the highest percentage credited to any teachers college in the state, according to a table recently compiled.

"This remarkable record is made still better if the fact the six graduates of the year before, 1925, also secured positions through the office here. This means that with a graduating class of 169, this school has been instrumental in securing for its graduates 164 positions last year, which gives us a percentage of over 97.

	Grads	Placed	Pct.
River Falls	169	158	94
Whitewater	198	183	93
Platteville	177	153	86
Milwaukee	340	286	84
Oshkosh	239	203	84
Eau Claire	171	123	71
Stevens Point	182	129	70

Whitewater Second

"Whitewater is second with 93 per cent. Platteville ranks third with 86 per cent."

The second part of Mr. Johnston's report concerned the success and failures of last year's graduates in making good as teachers in their first year out.

"Every year," he said, "the office sends out an inquiry concerning the success of each graduate. Of last year's graduates (excepting the rural teachers) 102 reports came back. Of these ninety teachers were reported highly successful, or approximately (Continued on page four)

Girls Aff. Team Debated La Crosse Mon. April 28

The River Falls girls' affirmative debate team invaded foreign territory for the first time in the history of the school when they debated the La Crosse girls' negative team on the regular debate question: Resolved, that the essential features of the McNary-Haugen Bill should be enacted into legislation.

The debate was held at La Crosse last night, Monday, April 25.

The Red and White team is made up of Madelyn Bandoli, first speaker, Helen Hawkins, second speaker, with Lucille Garley to handle the last rebuttal speech. Mr. Mitchell accompanied the team to La Crosse.

Last week the girls participated in three no-decision practice debates. On Wednesday they debated the state championship negative team, Olson, Barry, and Davison. On Thursday they debated the alternate members of the boys' squad: Luberg, Walton, and Troyer. On Friday the boys' famous affirmative trio, Smith, Morton, and Norseng, took the negative side of the case to give the girls a warm, lively debate.

Marshall Norseng

Norseng Leaves For Inter-State Contest At Cedar Falls, Ia. Wed.

MR. MITCHELL TO ACCOMPANY ORATOR AS DELEGATE OF WISCONSIN

Marshall Norseng and Coach Mitchell leave Wednesday night for Cedar Falls, Iowa, where Marshall will take part in the Interstate oratorical contest, which will be held Friday evening, April 29. The winning orators from the five states—Illinois, Iowa, Missouri, Kansas and Wisconsin will compete.

Friday afternoon the winning extempore speakers from the same five states will compete for interstate honors in extempore speaking. Donald Vetter from Stevens Point will represent Wisconsin in this event.

Norseng's Second Trip

This is Norseng's second trip to the Interstate Oratorical contest. Last year he represented and won for Wisconsin first honors in extempore speaking.

"The Harvest of Hate" is the oration that Norseng gave to win first honors at the state oratorical contest, and it is the one that he will use at the Interstate contest. The piece, as the title indicates, presents a picture of the hate that America has incurred abroad as the result of being the creditors of national loans made during the war period, and makes a plea for the United States to pay more attention to what other nations think of them.

Mr. Mitchell to Judge

Mr. Mitchell will attend the contest as the official delegate from Wisconsin to the business session of the Interstate contest. This is in accordance with a recent change in the constitution of the Interstate League. Formerly, the constitution provided that the treasurer of each state shall be the official delegate, but this rule has been changed so that the coach of the winning orator is the official delegate.

In addition, to this Mr. Mitchell will act as one of the judges. The judging system used is that of having one judge from each state. Each judge does not rate the speaker from his own state.

Mr. Mitchell says they have made no plans as to their return, which will depend entirely upon train connections.

FOUR TERMS A YEAR, TEN WEEKS A TERM, TWENTY FACULTY MEMBERS, 5500 LIBRARY BOOKS AND OTHER POINTS IN STRIKING CONTRAST TO TODAY SHOWN IN OLD ISSUES. LOOK 'EM OVER.

River Falls as it is portrayed today and yesterday in the catalogues is very striking.

Way back in 1905, it seems there couldn't have been quite so many kids educationally inclined, for the faculty needed to consist of only twenty members. Either we are a dumber bunch or there are more of us, for now forty Profs. are required to educate us or at least to try to do the impossible.

When our aunts and uncles came here in 1905 and '06 and back there, they got their names and everything put in the book every year. Now that interesting bit is omitted.

Humorous Pictures

The cuts of all the collegiate kids in '06 and '07 are quite rippy. It's quite fortunate that only one or two pictures were used, for in comparison with today's catalogue, the old ones would be quite "College Humor" to us.

The terms used to consist of four ten week periods which lasted from the latter part of August until late in June. Vacation wasn't quite such a necessity in those days. The students couldn't have been worked as hard as we are.

Any one having a spare half hour which he would like to spend easily but profitably ought to just glance over the old catalogues.

By Olte Thompson

In 1905 the annual catalog published by the State Normal School of River Falls, Wis., consisted of one hundred and two pages. According to this catalog we find that South Hall, the only building on the campus, was considered a model of comfort and convenience, and an ideal place in which to conduct a Normal school.

The purpose of the school was the (Continued on Page 2)

Modern Poultry House To Be Completed May 1

AG. STUDENTS IN CARPENTRY CLASS CONSTRUCT COOP AS A PROJECT

By Meric Overman

"The modern model poultry house which will house 300 chickens, will be completed by May 1," reported Professor Segerstrom, carpentry instructor of the Western Wisconsin State Teachers College, today.

The carpentry class, consisting of twenty-four Ag. students, under the supervision of Professors Spriggs, Segerstrom, and Christianson, are building the chicken house as a part of their project work in the course in carpentry. The house is situated just north of the farm house on the Normal Farm.

The building is of the Wisconsin straw loft type, which is the type recommended by Wisconsin poultry experts for the poultry of this state. The main house is twenty feet square and has a brooder house for chicks attached. The floor plan and the interior arrangement and equipment is of the type advocated by the authorities on poultry at the state university.

River Falls To Play Host To High School Talent On April 28-29

TWENTY-THREE SCHOOLS ARE SENDING MUSICIANS TO CONTEST

Loving Cups and Medals To Be Given

WINNERS TO GIVE CONCERT AS GRAND FINALE ON FRIDAY NIGHT

One of the biggest events of the school year, the third annual music contest, will take place at the Normal auditorium on Thursday and Friday, April 28 and 29, when the student body along with the faculty will entertain as well as be entertained by their friends from their home towns.

This contest not only means a great deal to the entering contestants but also means a great deal to the Normal. Many of the students aspiring for musical honors will graduate from high school this year; and if they are treated in the best way possible, there will be a natural tendency on their part to return to the Normal to continue their education.

It is the duty of every student to aid in whatever manner he can the fostering of respect and love for the old alma mater in the hearts of the visitors. He can do this by responding to Mr. Geere's call for a donation of rooms and by attending the contest.

Contests will be held in the morning, afternoon and evening, the admission in the morning and afternoon being twenty-five cents and in the evening thirty-five cents.

The program has been arranged as follows:

Thursday
 Registration 9:00—12:00.
 Eliminations.
 Piano Solo—1:00.
 Soprano Solo—2:30.
 Contralto Solo—3:30.
 Boys' Solo—4:15.
 Tenor Solo—4:45.
 Bands and Concert—7:45.

Friday
 Orchestra—9:00.
 Mixed Chorus—9:45.
 Cornet Solo—10:15.
 Violin Solo—11:00.
 Girls' Glee Club—1:00.
 Boys' Glee Club—2:00.
 Contralto Finals—2:30.
 Soprano Finals—3:00.
 Piano Finals—3:45.
 Prize winning concert—8:00.
 Presentation of cups and medals.

On Thursday evening the Normal musical organizations will give a concert. Friday night will mark the climax of the contest when the winners will give a concert and when they will receive the prizes.

A large silver loving cup constitutes the grand prize. Another cup will be given as second prize. Cups will be given as first and second prizes to the best organizations entering. To the prize winning soloists gold and silver medals will be awarded.

Competition for these prizes will be unusually keen this year, for there are twenty-three schools sending their best talent. These schools are: River Falls, Cornell, Stanley, Prescott, Clear Lake, Ellsworth, Hudson, New Richmond, Cumberland, Baldwin, Elk Mound, Maiden Rock, Roberts, Somerset, Spooner, Clayton, Alma, Barron, Amery, Pepin, Spring Valley, Mondovi and Weyerhauser.

Now here's your chance to entertain the folks from home and to do your bit for your school. Not only entertain them, but help find rooms for them. Mr. Geere's plea to the students is, "do your part; we must have rooms."

OLD R. F. GRAD AT ELEVA SENDS CONGRATULATIONS

Mr. J. H. Ames,
River Falls, Wisconsin.
Dear Mr. Ames:

I have just learned through the Student Voice of your fourth state championship during this year.

River Falls graduates have fallen into the habit of expecting championships rather often, but your accomplishments in winning four of them in one year is an event that braks all records. ou have done a dangerous thing, for it's a pretty hard record to excel, and now that you have actually captured four championships in a single year, we folks of former River Falls days are spoiled. We can't settle down to being content with occasional victories any more. We know that you have a school spirit unexcelled anywhere. You have a student body such as you probably never had before, for they have quickly absorbed the school spirit, and have entered into all fields of work to the extent that four championships are yours this year.

I should like to add my congratulations to the many that you have already received for the good work that is represented by those championships.

Sincerely yours,
Neil F. Martin.

MY CREED

I believe in the joy of study, the delight of acquaintance with books, the discipline of diligent learning, and the re-discovery of the world of nature and of men through open mind.

I believe in character as essential to the highest type of scholarship. I hold that no intellectual achievement, however keen or clever, is worthy of deep respect unless it goes hand in hand with accuracy, reliability, honor, humility, tolerance and truth.

I believe in service, that it is the privilege and responsibility of the enlightened member of any society to minister with kindness and understanding to the needs of the less fortunate in talent or opportunity.

I rejoice in the burden of leadership which scholarships, character, and service lay upon me, for I believe that my torch should light others to lives of greater beauty, richer joy, and fuller service.

INTER-MURAL BASE BALL

Some effort is being made to discover the sentiments of the men in regards to an inter-mural base ball league. The inter-society basket ball tournament met with much success this year and an effort is being made to further boost inter-mural sports. The physical training classes have been playing kitten ball the last few weeks and are very enthusiastic over a kitten ball league. Kitten ball does not require the technique of regular base ball. Hence more of the men in the school will be able to participate.

Coach Cox expected to organize the league when he returns next week. The larger number of teams in the league, the larger number of men who will be able to play. In interviewing the coach, he dropped the remark that he hoped the men would turn out in a sufficient number to

NEW RICHMOND WINS STATE DEBATE TITLE

New Richmond high school holds the first state debate championship title and award ever given by the Wisconsin High School Forensic association by virtue of unanimous decisions for both its negative and affirmative teams at the triangular championship debate in Madison on Monday, April 11.

The New Richmond affirmatives defeated the Arcadia negatives, and the New Richmond negatives defeated the Fort Atkinson affirmatives, both victories by unanimous decisions. The Arcadia affirmatives defeated the Fort Atkinson negatives by a 2 to 1 decision. The three debates were held in the state capitol. The question debated was "Resolved, that the constitution of Wisconsin be amended to provide for the initiative and referendum as proposed by the 1925 legislature."

TWENTY-FIVE LETTERMEN AWARDED STATE CHAMPIONSHIP FOOT BALLS

Twenty-five Red and White football lettermen of the 1927 squad were awarded state championship gold footballs in an assembly program Thursday, April 14.

The men who received this official recognition from the school are:

- Captain Walter Paulson, Mount Horeb, Wis.

- Preparatory Department, \$4.00.
- Grammar Grade, \$2.00.
- Intermediate Grade, \$1.50.

The school furnished text books free to primary pupils. Students are recommended to bring, for the purposes of reference, such text books as they have.

The school year was divided up into four quarters of ten weeks each.

The following courses of study were offered:

- 1.—An English-Scientific course of four years.
- 2.—A Latin course of four years.
- 3.—A German course of four years.
- 4.—An elementary course of two years.

Dear Fellow Studes:

This week is set aside to entertain the visiting members from the surrounding High schools. Thursday and Friday we will have about two hundred prospective River Falls students here and it is up to us to make them feel at home. Their music contests are always more or less of a hurry and bustle and much running around. Now is your chance to help the folks from your home town. If you have rooms to spare or know of rooms, please impart your information to Prof. Geere.

This column would just love to comment upon the new baseball diamond. The playing field is as wavy as Lake Erie and as rough as the wild men of Cicero. About three days of grading would make this field a little more playable.

The small crowd which attended the baseball game Saturday got their money's worth in the fine pitching of Clafin. With better support this boy should win many games.

When a student has satisfactorily completed the one year professional course, he may receive from the Board of Regents an Elementary Certificate. This certificate counter-signed by the State Superintendent, becomes a teachers state certificate, valid for five years, provided the holder shall have taught successfully in the public schools of Wisconsin during eight months between the dates of certification and counter-signing.

First Summer Session

The first summer session was held in River Falls in 1909, from June 26 to August 6, and the second was held in 1910, from June 27 to August 3. By 1910 the library contained 7,300 volumes of standard works on history, literature, science, art, professional literature, and general reference.

The Normal school orchestra was organized in 1909, but athletics were not of much importance at that early age.

Falls Loses To St. Olaf Here Saturday

Teams Battle Eleven Innings On Rough Diamond. Game Ends 6-4

INFIELD ERRORS NUMEROUS. FALLS LEADS IN NINTH

CLAPLIN KEPT THE HITS OF OLES WELL SCATTERED

BASEBALL STORY—

Too many errors cost River Falls Normal a very close eleven inning ball game with St. Olaf college of Northfield, Minn., last Saturday afternoon. The game was marked by many errors on the part of the infield of both teams. The new infield, which was very rough and uneven made fielding difficult on ground balls.

Neither team was able to make much headway the first inning. Claplin struck out two men and yielded one hit. Anderson pitching for the Ole's gave the Falls murderer's row little to look at.

St. Olaf put two men on the first half the second inning and brought them home on a scratch hit through the infield. The Falls returned the honors in their half of the same inning and tied the score.

St. Olaf Scores in Fourth
Claplin got through the third inning without difficulty, but in the first half of the fourth inning he was not so fortunate. St. Olaf bunched hits and scored one in their half of the fourth. River Falls then got busy and scored two to make the score 4-3. Anderson, the St. Olaf pitcher was taken out in the fifth inning and Amle sent in the box. Both Amle and Claplin worked smoothly until the ninth inning. Claplin was able to keep the hits well scattered and prevent the Ole's from filling the bases.

In the ninth inning River Falls had two down on St. Olaf and Claplin struck out the last man. Smith dropped the ball and then overthrew first. St. Olaf tied the score and won the game in the 11th inning.

Red and White Track Team Will Go To Hamline May 7

By M. Abrahamson
The River Falls track team will journey to Hamline college May 7 for their first track meet of the season. Although the squad has been handicapped by cold weather, nevertheless under the watchful eye of Coach Cox they have hit their stride, and are in excellent condition for the trip.

The feature events of the Hamline Carnival are the shot put, the 100- the 220, and 440-yard dashes. Besides giving Coach Cox and opportunity to watch his men "under fire," it will enable him to pick the team which will represent the Falls at the Normal meet held at La Crosse sometime next month.

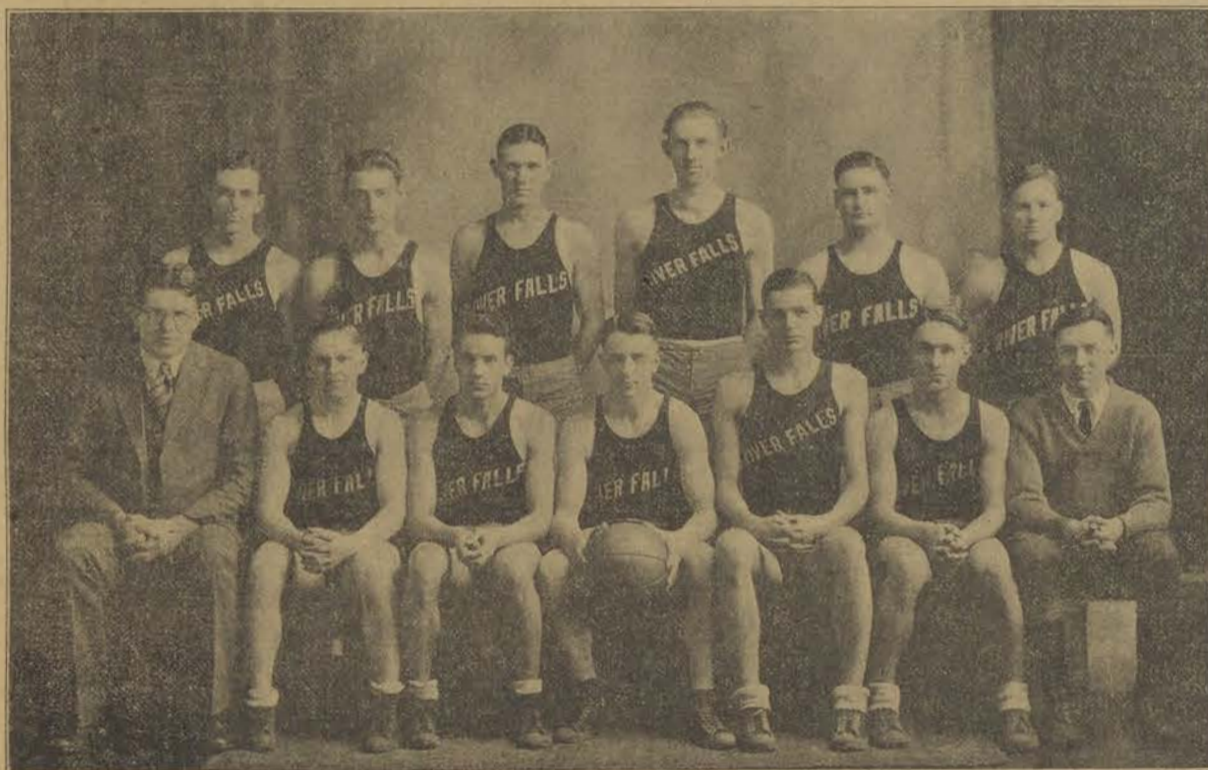

Two Firsts Last Year
Under the guidance of captain "Pewee" Weber, the Herbert Swartz of River Falls, who won first place in both the hammer and discus at Madison last year, the home boys can look forward to a very successful season. Although this is the first year that River Falls has been able to put a complete team in the field, "nevertheless, prospects could not be brighter," said Pewee.

The members of the squad are: for the high jump Brahdald and Glass; for the broad jump Luberg, Bliss and Dawson; for the dash and relay, Glass, Evens, Sombke, Luberg and Bliss. For the mile Thurston and Gluhsen. Weber is the weight man and Standish will do the pole vaulting.

Old Man Winter Quits Job As Tennis Rivals Take Courts

Swish! Bang! Biff! Net ball! And spring tennis again comes into its own down on the college tennis courts as fair weather displaces the cold northwest wind of the last month.

About three weeks ago when the deceptive old weather man had apparently told old man Winter to stay "put," the traditional tennis quartet of River Falls dusted off their tennis racquets and officially opened the court season on the local campus.

But alas, they had reckoned without their host. Old Man Winter was not minded to meekly accept such open defiance so early in the season. Peeking out from behind his even then tired, bushy eyebrows, he espied signs of premature action on the part of these old tennis rivals, who for ten years have scarcely missed a week of the tennis season.

"What Ho!" cried he. "What's this? Rushing the season, are they? And Prof's at that! I see I've been slipping." Whereupon he filled his lungs and blew up a mighty blast of icy wind, which carried threats of chills to the Profs on the courts. Karges shivered and missed an easy one. Prucha shivered and knocked one over the back stop. In fifteen minutes May and Mitchell were racing for home and warmth, and their partners were not far behind. And that night it snowed.

Winter had just about run his course and he knew it; so he grumblingly yielded to Spring, greenness, budding trees, tightened tennis nets, and tennis fans. Old and new enthusiastic followers of the court pastime strenuously whack away at the

ball hour after hour. The tennis season is on, and the traditional faculty rivals have once again come into their own.

NEW FOOTBALL RULE CHANGES

There shall be a fifteen yard penalty for illegal shifting. A full second must elapse between the shift and the snap of the ball. The second can be determined by counting 1, 2, 3, 4 rapidly.

2. The goal posts will be moved back to the end lines. n the try for point after touchdown, the ball will be put in play on the three yard line and the same rules will govern as before in that one play will be allowed. This may be a rush, run, pass, or kick. n making the successful kick, the kicker will now have to boot the ball at least 23 yards.

3. Three times out will be permitted in each half instead of four. Time will not count against a team if the player for whose benefit time was called is removed from the contest. The referee may suspend time at any time.

4. Players cannot remain in a huddle longer than fifteen seconds. If a longer time is taken a penalty of five yards will be inflicted for unnecessary delay of the game.

30 Seconds to Put Ball in Play
5. Teams in possession of the ball will be allowed thirty seconds to put the ball in play after it has been placed in position by the referee; that is, there cannot be more than a half minute delay between plays. Failure to abide by this rule will be considered unnecessary delay of the

game and subject to a five yard penalty.

6. No delay of more than two minutes for an injured player even if captain wishes to grant extra time.

7. During the last two minutes of each half, the timekeeper will not stop his watch when wholesale substitutions are being made.

TWILITE LEAGUE PREPARES FOR SEASON'S CAMPAIGN

The River Falls Twilight League held its annual organization meeting Tuesday night and has chosen the following officers to lead the season's campaign:

Geo. W. Chinnock, chief commissioner.

H. C. Johnson, Al Hawkinson, Elmer Wigen and M. "Jim" Carolan, captains.

A. L. Wilmot, umpire.
Hiram Barg, secretary.
Frederick Bremmer, charge de equipment.

F. X. Knobel, Glen J. Healy and J. L. Wasson, rules committee.
The playing season is to open May 10, and is to be divided into two series, as last year.

A hard and fast rule was adopted

at Tuesday's meeting to prohibit indiscriminate substitutions. Each one of the four teams is to be limited to 12 eligible players, and no team can substitute from another's list.

It was at first thought that the new golf club would tend to distract from the Twilight League ranks, but it seems that there are no "hold outs" and the list of player-applicants is the largest in the history of the organization.
