NUMBER 27

RIVER FALLS STATE COLLEGE

MONDAY, APRIL 24, 1961

The Brass Ensemble that will present a concert in North Hall Auditorium, Thursday evening, April 27. The program will begin at 8 p.m. and is part of the annual Fine Arts Festival.

## Two Instrumental Programs Set At College for This Coming Week

### Guest Cellist Will Play With St. Croix Valley Symphony Orchestra

The St. Croix Valley Symphony Orchestra, formed last September, will present a concert in the Karges Center on the campus of the Wisconsin State College at River Falls on Sunday, April 30, at 8 p.m. Conductor of the orchestra is William Abbott, and guest soloist will be Robert Jamieson, principal cellist of the Minneapolis Symphony.

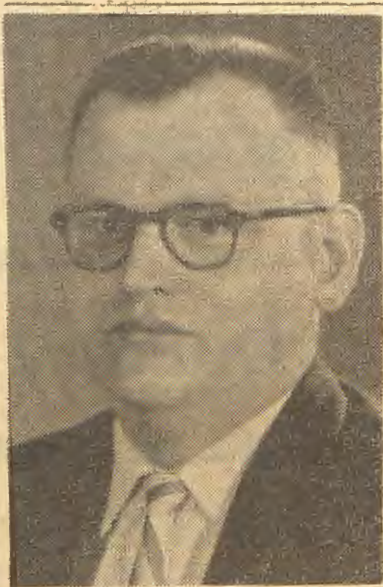

The orchestra is made up of adults, college and high school students from various Wisconsin and Minnesota communities. Communities having members in the orchestra are as follows: River Falls, Red Wing, Elmwood, New Richmond, Hammond, Ellsworth, Hudson, Durand, Baldwin, Star Prairie, Roberts and Spring Valley.

### Primary Election Draws Big Vote To Class Polls

A surprisingly large number of voters turned out in last week's primary class elections. A total number of 283 freshmen (59%) picked Robin Hoover and Ed Churchill as opponents in the presidential election next week and Lance Hittman was selected to oppose Tom Knutson in the vice-presidential contest. Hoover polled 119 votes to outdistance Churchill with 80; John Boortz with 65 and Fran O'Connell with 15. Knutson had 149, Hittman polled 90 and Sam Nelson 38.

A total of 163 juniors went to the polls (52 percent) to name Wayne Viitanen and Larry Julien to the president finals posts and Gary Scharfenberg and Jim Schwenk as opponents in the vice-presidential race. Viitanen had 89 votes, Julien 58, Gene Miller 14, and Tom Motley 2. Scharfenberg nosed out Schwenk 63 votes to 62. Gary Seipel polled 32 and Motley 1.

The sophomores had no contested offices for next year's class.

Mr. Oleson

### Oleson Named Math Prof

Lyle D. Oleson, currently a candidate for a Ph. D. at Michigan State University, recently joined the faculty as associate professor of mathematics at River Falls College.

Mr. Oleson received his B.S. in secondary education from Eau Claire State in 1951, and his Master's in education on August 28, 1952 from Ball State Teachers College in Indiana.

Oleson taught at Sparta High School in 1951-52. His previous experience in teaching on the college level includes being at Tri-State College, Angola, Ind., from 1952 to 1956, and at Michigan State University as an instructor from 1956 to 1961.

He served in the U. S. Navy from 1943 to 1946 as an aviation electronics mate. Oleson is married and has two sons.

#### COMMITTEE POSTS

All persons desiring a position on any of the following committees should appear at the Senate meeting at 6:30, May 1, in Room 200 of the Student Center to be interviewed: Social Committee, Homecoming chairmen, Meletean, editor, Prologue editor, and concerts and Lectures committee.

### School Brass Ensemble Scheduled for Thursday With Student Soloists

The Wisconsin State College at River Falls Brass Ensemble will present a concert in North Hall Auditorium at 8 p.m. on April 27.

The concert will include selections from Henry Purcell (1659-1695), Paul Mueller-Zuerich, Claudio Monteverdi (1567-1643), Jaromir Weinberger and Leonard Lebow.

Student soloists will be the feature attraction of the program. Louis Pape, Centuria, will be featured on the organ. Sopranos for the evening of entertainment will be Leila Gerig from River Falls, Mildred Gustafson from Ellsworth and Linda Wagenbach from Barron.

Members of the Brass Ensemble are: David Bultman, River Falls; Eugene Haas, Birchwood; Howard Heise, Ellsworth; Kathleen Schaffer, Turtle Lake; James Schwenk, Hudson; Joseph Alms, Spring Valley; Barbara Beine, Charles City, Iowa; Albin Peterson, Turtle Lake; Richard Alton, Spring Valley and Donald Trudell, Hudson.

### ELEMENTARY SCHOOLS TO PARTICIPATE IN WORKSHOP APRIL 28

In conjunction with the Wisconsin School of the Air, WHA, and their "Let's Draw" radio program, an art workshop will be held on campus April 28 from 1 to 4 p.m.

Students from approximately fifty elementary schools will be represented. They will exhibit art works and take part in the various workshops. College students from the art department will demonstrate the new facilities of the art department.

The entire program will take place in South Hall and will be under the direction of James Schwalback, director of the Let's Draw radio program.

#### PARKING REGULATION

Students are becoming lax again in complying with existing parking regulations. Some drivers are parking in no-parking zones and others are parking on campus without permits.

It will be necessary to enforce the regulations with fines if the infractions continue.

## RF Intellectuals Baffle Eau Claire

River Falls swamped a delegation of intellectuals from Eau Claire in the first annual College Bowl last Wednesday evening at the North Hall Auditorium.

The sharper, quicker-thinking men (Eau Claire had two girls on their squad) from River Falls built up an early lead answering toss-ups and bonus questions alike. So pronounced was the River Falls victory, that several persons in the audience wondered aloud if the Eau Claire lights were in proper working order.

Members of the Falcon squad included Wayne Handlos, Richard Moe, Wayne Hendrickson, and John Hanson. The latter, though only a freshman, amazed students and faculty both, with his razor-sharp intelligence.

Representing Eau Claire were Terry Bresina, Mary Morris, Mary Datta and David Styczinski.

James Murphy, of River Falls campus school, served as master of ceremonies. Dr. Edward Peterson of the River Falls history department acted as parliamentarian, answering and ruling on any disputes that arose.

Dr. Allen Love was the advisor of the Falcon delegation and Bill Christopherson acted as student coach for Eau Claire.

A large number of Eau Claire students made the trek over to view the proceedings but disheart-

ened, excused their defeat with the acknowledgement that their team had been chosen only the day before the tournament of minds and they had not benefited from early quiz-downs as had River Falls.

Following the presentation of a "trophy" to the winners, Christopherson challenged River Falls to a return match at Eau Claire sometime this spring.

A total of \$68.50 was collected for the Falcon fund.

## 39 A Students Top Honor Roll In Winter Term

Thirty-nine students made straight A's as 141 persons made the winter quarter honor roll at Wisconsin State College—River Falls.

Of the total 141 students—83 were men, 58 women and 44 seniors, 38 juniors, 26 sophomores and 31 freshmen.

Using a value of 4 for an A, 3 for a B, 2 for a C and 1 for a D, a student must compile at least a 3.5 to be eligible for the honor roll.

At the top of the honors list with straight A's are: Robert Agranoff, Minneapolis, Minn.; Jean Albert, Withee; Denny Baker, Bay City; George Beestman, Clayton, Barbara Beine, Charles City, Iowa; John Butler, Rice Lake; Gerald L. Carlson, River Falls; David A. Cook, Colby; Delores Dahl, Grantsburg; James Esswein, Boyceville; Rodney Firl, Red Wing, Minn.; Frank Fox, Waukesha; Louis Greub, Humbird; John F. Hanson, Turtle Lake; Muriel Hanson, Spring Valley; Edmond Hayes, Hudson; Wayne Hendrickson, Spring Valley; Jan Ihrke, Roberts; David Johnson, Hastings; Fred Kieske, Stillwater, Minn.; David Lamphere, Arkansas; Joan Lenselink, Clear Lake; Fred Owens, Hammond; Stanley (Continued on page 4)

## AEC Awards RF Seniors 4 Fellowships

Four River Falls physics majors have been awarded Atomic Energy Commission special fellowships in health physics, according to Prof. Earl G. Albert. Three of the students have accepted the fellowships while the fourth is accepting a National Defense graduate fellowship instead.

AEC fellowships will go to Loren Albert and William Miller of River Falls and Tom Steele of Hudson. Robert Wynveen of Baldwin is the recipient of the National Defense fellowship.

The AEC fellowship provides a basic stipend of \$2,500. The award includes \$350 for each dependent, normal tuition, required fees and travel allowance. The award provides for nine months in academic study at one of eight participating universities and three months' work at a government laboratory.

Mr. Albert, who has majors in physics and mathematics, will study next year at Vanderbilt University, Nashville, Tenn., and do his summer work at the Oak Ridge National Laboratory, Oak Ridge, Tenn.

Mr. Miller also has physics and mathematics majors. His academic work will be at the University of Washington at Seattle. During the following summer, he will be at the Hanford Atomic Products Operation at Richford, Wash.

Mr. Steele, with majors in physics and chemistry, also will attend the University of Washington and spend the summer at the Hanford laboratory.

Mr. Wynveen, a physics and chemistry major, will attend the University of Arizona under the National Defense Graduate Fellowship program. The program provides \$2,000 for the first year, \$2,200 for the second year and \$2,400 for the third year — plus tuition.

## C. P. Grant, Naturalist To Lecture, Show Film 'Land of Early Autumn'

The world-famed photographer-naturalist, Cleveland P. Grant, will present a full hour of entertainment in North Hall Auditorium at 11:00 a.m. on Tuesday, April 25. Mr. Grant will present "LAND OF EARLY AUTUMN" part of the more than fifty miles of film he has "shot" on the native birds and mammals of North America.

# The Editor Speaks...

In recent issues of the *Volce*, the problem of how letters to the editor should be handled has risen. It seems appropriate that we should set forth a clear policy on this subject that future writers might know what we expect and what our policy on these letters will be.

First, we must, as was previously stated, retain the right to decide whether a letter should be printed in these pages or if the subject of the letter can better be aired elsewhere.

Second, the letters should be kept short. By short, we would like to see the opinions expressed in 300 words or less. It is our feeling that short letters receive more readers. Also, if the length of letters is held down, we can print more letters on more topics.

Third, in some instances, we receive many letters on the same issue or problem and we reserve the right to pick representative letters to express the opinions of the other letters. We wish to keep the opinions expressed as varied as possible to prevent this area of the paper from becoming dull or repetitive.

In some cases, we might take the alternative of editing a letter in order to run the letter without it taking too much space as we are limited in the number of pages that we can run and must squeeze our news into the space that we have. We will do our best to edit these letters without changing their meaning. We will never intentionally censor a letter, but we must admit that we can and do make mistakes. However, we will never slight any letter intentionally unless it should prove to be libelous, in which case we will refuse to run it at all.

Basically, the best rule for a person writing a letter to the editor would be to make it short and to the point. This way, everyone will be happy.

The extreme length of one letter that was written this week forced us to leave it out of the paper because of space limitations.

# Letters to the Editor

Dear Editor:

Because we cannot personally thank all who made the Faculty Frolics the entertaining and memorable success that it was, we would like to take this means to show our appreciation for their time and effort. A special thanks must go to Dr. Peterson and Mr. Wolfe who directed the entire program.

The Faculty Frolics profit has meant that the fund for the John Rood sculpture has been significantly increased.

Another thank you is directed to the students and faculty members who aided in the production of the "College Bowl" program. We are especially grateful to the team members and alternates, to the Pinochle Club for assuming the responsibility of ticket sales, to Sigma Chi Sigma members for ushering, and to faculty members who submitted questions, coached the team, and participated in the program.

Sincerely,  
Student Foundation Committee

Dear Editor,

I, along with a group of other students have been wondering why the college swimming pool is not

open more for the use of the students?

The pool is open only two hours a week (from two o'clock to four o'clock on Sundays) for the use of the students. These hours do not even include all of the students as a great number of them go home on weekends.

The pool is however, open many nights for the use of the people of the town and other groups, while it is not open even one night a week for the use of the students of the college to which the pool belongs.

I do not believe it is entirely wrong to use the pool for other groups but I do feel it should be opened at least one night a week, if not more, for the use of the students of our college. I may be wrong and if so I would appreciate being corrected, but if not, I, along with a great number of other students would like to see the pool open at least one or two nights a week for our use and enjoyment. Our activities fees should at least cover this much as I can't see where else they go during spring quarter.

Respectfully submitted,  
Glen Johnson

hungry each night while the big countries spend billions of dollars on space activities?

Even if all this money were not spent on spaceflight, it would presumably go toward other non-beneficial projects. Couldn't our country better use this? The Soviet Union has us in a space race and we are silly enough to compete with them with the money that could be used to prevent the spread of Communism further in this country. Are we following the U.S.S.R.'s bait around while they are eating up our friends one-by-one?

Who is going to wake up these highly educated eggheads in Washington, or will they be led along till after it is much too late to do anything about it?

## RELIGION COURSE

The ecumenical student non-credit religion course meets in 127 South Hall at 4:00 p.m. Thursday, April 27th. The speaker will be Rev. John Merner. He will discuss chapters 6 and 7 in *A Laymen's Guide to Protestant Theology*. The topic to be discussed is "Neo-Orthodoxy," eg. Reinhold Niebuhr.

Everyone is welcome.

## LSA

Next Sunday, April 30, students will have the opportunity to listen to Dr. B. H. Kettlekamp, head of the biology department at River Falls. All LSA members and other interested persons are invited to meet for a cost supper (50c) followed by Dr. Kettlekamp's presentation, "Can We Create Life?"

## NCTE

All NCTE members are asked to contact either Anita Munson or Bob Vermillion as soon as possible so banquet arrangements may be made. The banquet is to be held May 1, Monday at 6:30 p.m. in the Cardinal Room of the Hotel Walvern at a cost of one dollar. Miss Hawkins of the English department will speak concerning her impressions of travel through the British Isles and Western Europe.

# Thinclads Dash by Stout, Eau Claire in Triangular Meet; Pagemen Post Third Straight Win Downning Bethel 6-0

## BASEBALL

Taking advantage of the fine spring weather the Falcon baseball squad dumped the Bethel Royals 6-0 Friday April 21. John Boertz handled the Royals easily allowing only three hits in the seven innings he worked. Jim Fhinander held Bethel hitless in the last two innings but was in trouble in the ninth because of two walks and a batter hit by a pitched ball.

River Falls opened the game with two wins in the first inning on three hits and a walk. Jim Ticknor started the game with a walk but was forced at second by Jim Norrish. Frank Gombold, Vern Wanish and Tom Strasser followed with hits to score Norrish and Wanish. Gombold was thrown out at home trying to score from first on a double by Wanish.

The fifth inning was another big inning for the Falcons as they scored 3 runs. After one man was out Ticknor, Norrish, and Gombold singled to score one run. Wanish then followed with his second double of the day to score two more runs.

Coach Don Page saw the first five men (Ticknor, Norrish, Gombold, Wanish, and Strasser) in the lineup collect all ten hits from the Bethel offering.

Bortz and Chinander combined for a total of 18 strike outs. Boertz had 12 in his seven inning stint and Chinander struck out the side in both innings he worked.

## Cindermen Bow In Dual Meet With Winona

A highly rated Winona track team outclassed River Falls 83-48 in a dual meet held at Winona last Thursday.

Leon Headleg, freshman from Gamboa, Canal Zone, was the only double winner for the Falcons. He won both the 100-dash and the 220 in the highly respectable times of 10.3 and 23.0.

Glen Anderson heaved the shot 41' 1 1/2" to capture first in that event.

The only other first place the Falcons received was in the half mile where Duane Jenson won with a time of 2:07.8.

The big winners for the Winona Indians were Art House, John Finnegan, and Ivan Grimes. Ruse captured the broad jump with a leap of 21' 6", and won the 440 in 1:51.2. Finnegan ran the mile in 4:49.7 and the two mile in 10:22.2 to take both events. Grimes won the high hurdles in :16.2 and took the lows in :26.9.

Hurrah . . . I made it. The umpire looks on as Jim Ticknor scores the first run of the '61 Falcon baseball season. Rounding the bag at third base is Jim Norrish also scoring on the single by Frank Gombold. (Photo by Alex Romanowski)

## TRACK

Fran Polsfoot's track team asserted its authority early in Friday's triangular meet with Stout and Eau Claire and then coasted home with an easy victory amassing 81 14/15 points to the Blue-devil's 54 2/15 and the Bluegolds' 25 14/15.

Jerry Halverson and Leon Headleg were double winners for the Falcons, the former copping the mile and two-mile and the latter winning the 100 and 220 yard dashes. Headleg, a freshman speedster from Panama is unbeaten in five starts this year.

The Falcon 880 yard relay team looked extremely fast in racing to a win in 1:36.5 which is only about four seconds lower than their conference-winning effort last spring.

They did it . . . How they did it is another thing but the fact remains that the Splitters, a team picked for a low berth in the standings, finished second in "A" division. They put together a string of 22 consecutive wins to do it and rolled over three other top teams in the process. In the final week of action the Splitters rolled over the first place Alley Cats 1540 to 1422. Warren Rogers paced the Splitters with a 329 series followed closely by Fran Stoetzel and Jim Bastian with 316 series.

In other action the Elmer's Boys finished third with a forfeit by the Gutter Dusters. The Alley Playboys, paced by Vic Londo's 386 series took two points from the

Tequila Kids who finished fourth. Viv Londo, star bowler of the intercollegiate team, took home the top series honors and top average honors. His average was 179 and his series was 425.

Clar Hewitt of the Alley Cats had the high game with a 224.

Elmers Boys had high game and high team series honors with 894 and 1692 respectively.

## WRA SPORTS

Disneyland Playday was held Saturday, April 15, 1961 in Karges Center for 11 area high schools.

Approximately 200 girls participated in bowling, swimming and volley ball.

Arkansas captured top honors in volleyball as they returned home with the traveling trophy. Last years holder of the trophy, Boyceville came in second.

Bowling honors went to Ellsworth and swimming to Prescott.

The Playday was conducted by Ginny Rogers, Edie O'Mera, and Dodie Braun.

The sports planned for this spring are:

Golf, Bonnie Lind, chairwoman  
Softball, Sue Drisoll  
Tennis, Myrna Rosenow  
On May 1, 1961 election of WRA officers for the coming year will be held.

## Falcon Athletes Step Up Tempo

The spring-time Falcons, after the postponements of two golf matches and a baseball game last week because of bad weather, will see plenty of action this week.

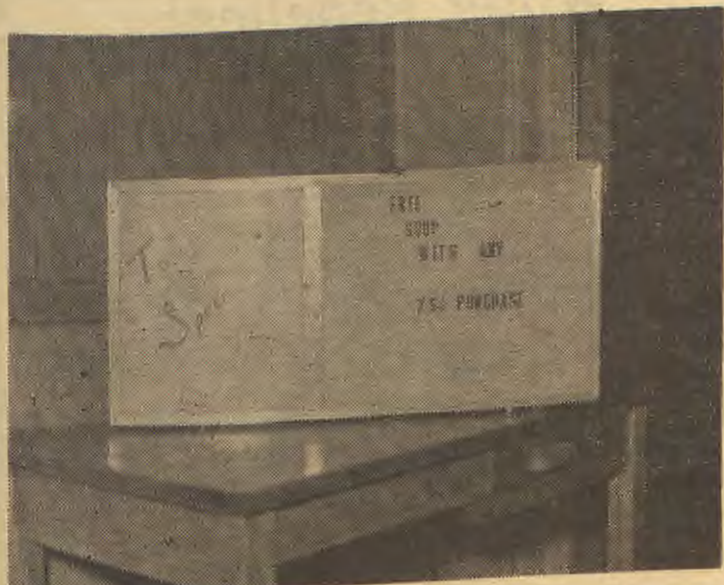

Bethel is the big opponent as the Falcon netmen, linksters, and hardballers entertain the Minnesota team Tuesday, April 25.

The River Falls golf team has yet to open the '61 season as the matches between Carleton and Bethel were postponed last week. Match time against Bethel is set at 2:30 p.m. Tuesday on the River Falls golf course. Friday the linksters travel to Winona.

Coach Don Page and his crew gunned for their fourth straight victory this afternoon against Carleton. Tomorrow April 25 the hardballers will host Bethel, who was beaten by the Falcons last week 6-0. Saturday the Falcons travel to Eau Claire for a double header to open the '61 WSC Conference race.

The River Falls cindermen travel to Stout Saturday, April 29 for a dual meet. Coach Polsfoot and his squad will be the favorites after winning a triangular meet last week with Stout and Eau Claire.

"The Bookish Browse" by Paul Leo Kelly

"The true university of these days is a collection of books."

On Heroes & Hero-worship  
On campus there is a subversive group known as the Student Center Activities Committee. Occasionally they meet behind closed doors and decide what is going to be their line of attack on various events. Realizing that students have underestimated their expenses for this past winter (So are loaded with loot) and have overestimated their powers of learning (Thus are now eagerly seeking knowledge) have decided to sponsor a—What?—Book Fair? (Innocent sounding title). The dates for this social event of the season are April 25, 26, & 27 (Tues., Wed., & Thurs.) They are going to hold it (They'll tie it down if they have to) in rooms 101 & 102 in the Student Center. You will have a chance to purchase (Oh you lucky, lucky people) books from an assortment of 250-300. These will include the good earthy current best sellers and also for the bookish bunch, special topic readings. The Fair (Hope it is more than just fair) will be open 11 a.m. - 4 p.m. each day. ## Wednesday Deadline For Student Tickets For Rathbone Show

Students planning to attend Basil Rathbone's lecture-recital are reminded that they have only until Wednesday, April 26, to buy their tickets for 50 cents apiece at the College Book Store.

After Wednesday, students will have to pay the regular admission price of \$1.50, according to an announcement by the Fine Arts Festival committee. Because of the limited seating capacity of North Hall Auditorium, where the program will be held, the committee must have an estimate of the number of students planning to attend because it can issue tickets to the general public.

Mr. Rathbone's performance, a part of the annual Fine Arts Festival, is scheduled for 7:30 p.m. May 6.

## Education Dean to Go To Principal's Meet

Dr. Gordon Stone, dean of the School of Education, will participate as a member of the program of the annual conference of the Wisconsin Elementary School Principals' Assn. at La Crosse May 5 and 6.

His roll will be that of resource leader on the theme "New Dimensions in Elementary School Administration."

## Student Senate Minutes

President Ron Skone called the April 17 meeting of the Student Senate to order at 6:30 p.m. in Room 200 of the Student Center. The secretary's minutes of April 10 were approved as read. Treasurer Smith reported a balance of \$1785.82 in the Student Senate account; this amount is unchanged since last week.

President Skone welcomed those persons elected at large to the Student Senate to the meeting.

Claire Brohaugh, Fred Trautman and Karl Lilienwald lodged a formal protest of the April 12 Student Senate election.

Hanson moved and Schmid seconded that discussion be ended and that the formal protest and recommendations of Lilienwald be heard. Motion carried.

Lilienwald stated that he protested the removal of his name from the ballot as it was not in accordance with the Senate constitution.

Miller moved and Bergstrom seconded that the Senate adjourn for ten minutes. Motion defeated.

Smith was excused at 8:10.

Rogers moved and Seefeldt seconded that the Senate recess for ten minutes. Motion carried.

At 8:25, the Senate reassembled.

Smith was readmitted at 8:55.

Rogers moved and Hendrickson seconded that Paul Kelly be authorized to set up a board of three or five members to investigate past Senate elections and to set forth their recommendations. Motion carried.

Schmid moved and Seefeldt seconded that the resignation of Bob Agranoff as chairman of the Student Center Governing Board be accepted. Motion carried.

Paul Kelly was appointed as the 1961-62 student insurance representative on campus.
