## JUNIOR BALL PROVES A BREATH-CATCHER

### Profuse Array of Colored Lights and Cozy Nooks

Innumerable and vivid comments are afloat on the beauty of decorations and good time found at the Junior Promenade. For long tedious weeks an enthusiastic group of Juniors worked to make it the dance of dances. They succeeded, and at eight-thirty Friday evening the doors of North Hall Gym were thrown wide to the expectant gaze of several hundreds of bright eyes and nimble feet.

With everyone at his best, the grand march was jubilantly pranced off and broken into the first floating waltz of the event. From then on to the last dance, Harry Feyer's Orchestra of Minneapolis kept things musically happy for hosts and guests.

The balconies were crowded with spectators who stayed to a late hour to watch the bright revelry and pretty colors and dresses.

The decorations must be called clever. The main entrance was covered by a deep arch of black and white checks as were also the nooks which lined the walls. A background to the whole was in several of the rainbow's prettiest colors. Colored lights added a concluding note to the entire ballroom.

We should feel that no write-up would be complete without due mention of the refreshments, and the pretty group of third-year girls behind the cups and bowl. The third-year class always contributes a finishing touch to a successful Prom.

The whole school is sure the Junior class will stand in line with its predecessors if all its activities are carried out as adroitly as has been this biggest dance of the year. We can all feel in some sympathy with the girl who longingly sighed, "And the Prom is over."

### HOW DO THEY DO IT?

Managers of major sports and "H" men at Harvard university have the highest scholastic standings of all the students.—Lawrentian.

## TRACK TEAM DE- FEATED AT STOUT

### Meet Is Unusually Close

River Falls lost the track and field meet to Stout by a narrow margin last Saturday. Only six points separated the two when the final event was won. When the total of points is 73 to 67 there is little use in stopping to mention the equality of the teams.

River Falls had the majority of firsts but lacked men in second and third places. Quality alone could not win.

The Red and White captured nine firsts out of fourteen events. The cold weather cut down the speed in some of the dashes, but record time was made in in the four-forty. Roberts came in slightly in the lead but was placed second, the judge ruling that he had broken the tape with his hand.

Names of the men winning the places for Stout were not available at the time of this writing.

Order of events and winning contestants.

220 High hurdles. Stout 1st, Gerretson 2nd; Stout 3rd.

200 Low hurdles. Gerretson first; Stout 2nd; Stout 3rd.

Mile. Gulstad 1st; Stout 2nd and 3rd.

Two mile. Everett Smith 1st; Stout 2nd and 3rd.

Relay won by River Falls.

Saturday, May 26, Stout comes here for the dual meet and also a game of baseball. Be on Ramer Field to back up the track and field men and help put across a victory that will be worth while.

## FIELD DAY EVENTS CLOSE AT HAND

### Ag. Department To Put On Demonstrations.

We used to listen to those who talked about how to do things. But now we no longer attempt this method because it does not work. The agricultural field day provides training and experience in a type of work which is not possible in class room methods of discussion. Because a great deal is expected of the agricultural teacher in organizing community fairs and exhibits and in directing demonstration work, it is the aim of the agricultural department to have the student actually do these things and not talk about them. The long heralded event, the Field Day, will be put on Friday, May 18. Prof. T. E. Erickson, State Club Leader of the State of Minnesota, will judge the different contests.

The program is as follows:

- 1 Grain Judging contest—8:00 a. m.

## "Something to Look Forward To"

In the glorious springtime it always becomes necessary to "pack up your old kit bag" and frolic on the grassy green sward. Youth must have its fling, and remember friend student what you don't gather now, you can't enjoy later on in life.

All you need is a happy, playful disposition, a smile or two, a few sandwiches, and an apple. The social committee will hand out the "drinks" and the dessert.

Reserve the date, May 25, for an afternoon of fun in Glen Park, for there will be a rousing good All-School picnic there. Keep your ears "peeled" for further announcements.

## JUNIOR HIGH SCHOOL NOTES

### The Lincoln and Washington Contest

Each year a Lincoln and Washington contest are held in the Junior High School. The contest is conducted by giving to each student a list of questions concerning Lincoln and a similar list concerning Washington.

The student in each grade who answers the greatest number of questions correctly in either test is awarded first place for that grade. Prizes are awarded to the winners. The winners for this year are as follows:

#### Lincoln Contest

- 9th Grade Le Roy Luberg
- 8th Grade Eleanor Borner
- 7th Grade Bertha Gilstad
- Nina Jorstad

#### Washington Contest

- 9th Grade Warren Knowles, Jr.
- 8th Grade Ethel Morgan
- 7th Grade Robert Davee

## HIGH SCHOOLS WILL COMPETE FOR TRACK AND FIELD HONORS

Each year finds more high schools engaging in track and field events. The high schools about River Falls have developed many contenders of real worth. On Saturday afternoon, May 19, will be held the annual track and field meet for this section.

The following high schools have been entered: Elmwood, River Falls, Hudson, St. Croix Falls, Menomonie, Spooner, New Richmond, and Roberts.

With such an array of material some high school records are bound to be broken. If at all interested be on hand by 2 o'clock and stay on until the finish. Show the boys that you are interested in what they can do.

## SATURDAY GAME IS CLOSE

In a rather loose game of baseball, featured by many errors, the River Falls team was defeated by the Stout aggregation at Menomonie Saturday afternoon by the score of 8 to 6.

River Falls started things in the first inning when Keyes doubled with two on bases sending in two scores. Stout came back in their half and with the aid of two passes, two hits, and two costly errors on the part of River Falls, they secured four runs. Through safe hitting the locals scored a run in each of the third, fourth, and sixth innings. By timely hitting Stout secured two runs in the sixth and one in each of the seventh and eighth innings. The locals scored again in the sixth and eighth through errors.

Score by innings:

	R	H	E										
R. F.	2	0	1	1	0	1	0	1	0	—	6	5	6
Stout	4	0	0	0	2	1	1	x	—	8	8	6	

Three base hit, Danberg; Two base

hits, Keyes, Bailey; Hit by pitcher, Luther, Knilan, Kewiely; Base on balls, off Winter 2, off Keyes 4. Strike outs, Keyes 8, Winter 7. Wild pitch, Keyes 1.

## STUDENTS ENJOY BENEFIT MOVIE

The second benefit "movie" for the livestock show was well attended, and we expect great things of the coming exhibition. "The Third Alarm" was an extremely interesting story, full of action and life, illustrating the beautiful affection between a man and his horse. The thrilling fire scene, together with just the right amount of a love story, combined to make the show a great satisfaction. According to the reports of those who were present, those who were not present, missed a splendid entertainment.

Ted Dodge occupied one of the cozy corners at the Prom.

"Pat" Aasy of Mondovi visited Edith Brown Sunday.

Gordon McConnell of Lake City, Minnesota, has reentered school.

If "Fat" keeps on reducing we will have to call him "Slim" Hohman.

Beda Jacobson spent Saturday and Sunday at her home in Woodville.

Mr. Hunt and Mr. Karges attended the track meet at Stout last Saturday.

Florenz Parsons, '22, who is attending La Crosse Normal visited school Monday.

Vernon Mapes visited his brother at the Minnesota University Saturday and Sunday.

Don't forget the matinee dance in South Hall Gym this afternoon. Bring your dime.

Don't forget the District High School track meet at Ramer Field next Saturday afternoon.

Romola Cheney was fortunate enough to find "some statistics in big round numbers." Pretty good, eh?

A number of loyal students attended the River Falls-Stout track meet and baseball game at Menomonie Saturday.

A delegation from the Dunn County Ag. school will attend Field Day, next Friday. Let's all show them a good time.

Hildebrand has been spending many restless nights. All that one can distinguish from his incoherent utterings is, "Ann."

There have been rumors around school that "Claff" stayed in bed all day Saturday due to "too much punch" at the Prom.

Ruth Ross of Minneapolis has been visiting Gail Bennett for the past week. A few of her friends gave a picnic in the park Sunday in her honor.

Speaking of testing a man's love, Louise Bradley gave a few of the girls a word of advice, "Wait till you have had the experience that I've had."

Art. Gordon, a graduate of the three year Ag. course in '22, has been reengaged as instructor in the Dunn County Agricultural school at Menomonie.

Mrs. Glenn Junkman passed away Sunday after several week's illness. The family's many friends in school express their deepest sympathy in Mr. Junkman's bereavement.

Orlando Nelson, who left school to substitute at Shawano, has accepted the position as physics and

Oshkosh won over Lawrence in baseball, May 5, by a score of 10-7.

La Crosse defeated Platteville in a loosely played game on the La Crosse diamond Saturday afternoon.

Marquette handed Lawrence a crushing track defeat of 106 1-3 points to 19 2-3 points, May 5.

The 1922 football squad if Notre Dame contained the captains of the five other athletic teams of the university.—Lawrentian.

The Lawrence baseball team took a four-day trip last week, playing the following colleges: Milton, Agustana, Cornell, and Platteville.

The Agrifalian still leads in twilight league baseball. The N. C. A. knocked the Lincolnians for a 6-4 score Monday afternoon.

The following alumni attended the Prom last Friday evening: Sophia De Mille, Ruth Gerhke, Erwin Davidson, Harold Lissack, Ann Vangen, and Kendall Kentz.

In Assembly Thursday, Hildebrand told us about an ideal condition in the past in which "a single man lived alone with his family." Well, "them days is gone forever."

Jack Gerretson seemingly can't leave the ladies alone. He was so absorbed in talking to two young women at the Stout Cafeteria that he did not notice Wally Cole eating his ice cream. Some concentration, what?

The following Seniors have accepted positions during the past week: Vidle Tubbs, Maude Hawkins, Gwen Canton, and Blanche Hanson at Hudson; Mary Carroll, South Bend, Washington; Esther Chronquist, Turtle Lake; Alpha Younggren, Spring Valley; Leland Seaman and Beda Jacobson, Maiden Rock.

"Chet" Hartlett, a Lawrence College graduate, and Y. M. C. A. worker visited the local Y. this week. He

gave the men workable advice in Y. M. C. A. organization. His talk in Assembly yesterday on the problems confronting the young people of today was splendid.

"SPY" SYSTEM

Upton Sinclair, in his new book, "The Goose Step," charges the University of Minnesota with maintaining a spy system and a black list against liberal instructors and says that academic freedom is entirely lacking in the institution. The University of Pennsylvania and Wharton School of Finance are also scored.—Lawrentian.

EDUCATION

Aspiration, mystification, examination, 3 years duration. Anticipation, hard occupation, short vacation, no cessation. Expectation, conditionalization, passification—then salvation. Realization, gratification in sweet graduation.

IF YOU LIKE IT

It's a great life if you don't waken.

A powdered nose gathers no shine.

Prof. Jacobson: "What two kinds of magnets are there?"

Doc: "Blondes and Brunettes."

Bessie M: "Women always contradict each other."

Francis S: "They do not."

But why don't they

Why I should get a D."  
"O G!" said B, "you got a D  
Because there is no Z."

"John, stop that." "I can't help it Mary." "John, if you don't stop I'll get out and walk." "Well, Mary I told you I couldn't help it." "John, stop right now." "Aw, Mary, the darn horses won't go if I don't use the whip."

When a girl is a belle she naturally likes to be tolled so.

"It's the little things in life that tell," said "Babe," as she hurried Bunny Smith into the hall.

Better to suffer silently with a wounded heart than to display a squeak in your mechanism.

Bunny Schwedes: "Oh Reba, I've got a letter from Jack."

Reba Offerdahl: "I'd rather get a letter with "Jack" in it."

Anyone troubled with nightmare will find a halter in the barn.

The Gobblers were entertained to a six-thirty dinner at the home of Mary Carroll Monday evening. "Gena" sure is a royal entertainer; 'tis a shame more of the girls in our school aren't eligible to belong to this organization.
