Final Preparations For Two Day Run Of Original Minstrel Show Underway

To Be Highlight In Program Of Normal Promotion Campaign

Two nights of hilarious fun are approaching. The colored Minstrel band are putting on the finishing touches. Doc. Vannatta, Herm Elertson, Henry Albrecht, Fred Knobel, Chet. Anderson. and Doc Fortune are practicing night and day. Interlocutor Grimm and Director Geere are leaving no stone unturned to make this Minstrel Frolic outdo anything ever seen in River Falls. An enthusiastic public is impatiently waiting for the great day to come. They want the fun and the thrills. And at the close Harold Lloyd's spectacular three reel comedy, "Now or Never," will be screened. Normal Auditorium, Friday and Saturday, February 26 and 27, at 8 p. m. Admission 50c and 25c.

ORGANIZATIONS BACKING THE ORATORICAL CONTEST

Last week a large placard was placed in the first floor of South Hall on which were placed the names of the organizations which pledged themselves 100% to the coming event—March 19. The organizations which have pledged themselves to this cause are: Civic Club, Rural Life, G. O. P., and the Aurelia. It is expected that the other organizations will also sign up. Although this event is nearly three weeks away, the old school is making many preparations which will enable it to best accommodate and entertain the host of visitors from other schools. Our new stage fixtures is one of the evidences of this preparation. Mr. Geere's Glee Club and Trio will attempt to put forth some "real stuff" at that time. It is hardly necessary to mention that the Glee Club will sign up when they will play such an important part in the approaching event.

FALLS MEETS ST. MARY COLLEGE HERE TONIGHT

Tonight the St. Mary's quint play our team here. The Red & White met defeat in an overtime game at the hands of St. Mary's once their year by the close score of 19-20. St. Mary's has the hardest hitting team that our boys have met this year, so the game tonight should prove to be an exciting battle. Let's give them some real support tonight.

NOTICE

There will be no Student Voice printed March 10, the week of exams. The next issue will undoubtedly be six pages.

Walter Paulson to Captain 1926 Eleven

At the football banquet given at the home of Mr. Karges on the evening of February 10, Walter Paulson was elected to pilot the 1926 football team. Paulson has played center for the Normal squad on two championship teams in the last two years. The big fellow is a consistent player, and is well fitted to lead the squad on to victory next year. With nine other letter men back next fall, the Red and White can be expected to make a strong bid for another championship in 1926.

ANNOUNCEMENT PARTY HELD FOR MISS DOROTHY HATCH

The engagement of Miss Dorothy Hatch to Theodore A. Langlie of Minneapolis, was announced at a dinner Monday evening, February 15, given by Mrs. Erwin Brundage at the latter's home on Cascade Avenue. Attractive valentine decorations were appropriately used. As each guest broke the heart-shaped place card, the pictures of Miss Hatch and Mr. Langlie disclosed the secret.

Mr. Langlie is a graduate of the University of Minnesota and a member of Sigma Phi Epsilon fraternity. He is at present doing work for his doctor's degree in the Department of Psychology at the University of Minnesota.

Nearly One Third Of Students Eat At Least One Meal At Cafeteria

The Normal Cafeteria is primarily a student affair, and because it is patronized almost entirely by students, the following report will no doubt be of interest to the student body. Miss Weberg took over the management of the cafeteria with no increase in salary, and under her management the number of patrons have increased until they now serve as many as they possibly can. During the month of January an average of sixty persons was served in the morning, 115 at noon, and 85 in the evening. The average cost per plate was \$.13, .21, .21, respectively, for the three meals. These figures do not include the paid help, and the students who work for their board.

Financial report for the month of January, beginning Jan. 4, 1926:

Butter	\$ 94.00
Ice Cream	56.00
Groceries and Fruit	380.00
Eggs	70.00
Meat and lard	231.00
Milk and cream	128.00
Labor	200.00
Potatoes	60.00
Laundry	9.00
Freight	2.83

(Continued on page four)

COACH COX GIVES BANQUET IN HONOR OF FOOTBALL MEN

The letter men of the State Championship football squad and the athletic council were royally entertained by Coach Cox at the home of Mr. Karges on the evening of February 10. After everyone present had eaten until he could not eat no more, Toastmaster Prucha called upon Mr. Ames, Mr. Karges, and Captain Matt Nelson for toasts. Then Coach Herschberger, after toasting the team, spoke on the value of cooperation in winning a championship. Following this Walter Paulson was elected to pilot next year's team. The big center was called upon for a speech, in which he thanked his teammates for their confidence in his ability to lead next year's squad. He predicted that the Red and White would have a successful season next Fall, and expressed his de-

(Continued on page four)

Milwaukee To Send A Delegation Of 25 To Oratorical Contest

Word comes from Milwaukee that she will bring to the oratorical contest her Men's Glee Club of eighteen voices, and ten additional rooters and representatives, making a total of twenty-five. This is a splendid showing for Milwaukee, as she is one of the schools farthest away.

"INTRODUCE ME"

This delightful comedy of Douglas MacLean will be at the Normal next Monday night, March 1. It will make everybody laugh. There are plenty of thrills, too. Anna Cornwall, a beautiful actress, stars with MacLean. Along with plenty of laughs and thrills is a charming romance. This picture will please all lovers of comedy and clean, wholesome fun. It is fresh and new; one of Douglas MacLean's recent releases. A more entertaining movie would be hard to find. Normal Auditorium, Monday night, March 1, at 8 o'clock. Admission 25 cents.

Falls Throw Scare Into Eau Claire First Half By Overcoming Big Lead

Eau Claire Gets First Five Shots Dahl Lucky Scorer

In a game which furnished plenty of thrills, especially in the first half, Eau Claire climbed a few notches closer to the championship last Friday night. A great number of uncanny shots was responsible for the 20-36 score, but to those who were fortunate enough to witness the game the score gave little evidence of the real nature of at least a good share of the game. The comeback which the Red and White made in the first half was perhaps the greatest ever made on the Normal floor, and furnished the crowd with plenty of thrills.

Eau Claire opened the game with a streak of lucky shooting, dropping them in from any place or angle, and making her first five shots into baskets. Dahl was behind nearly every shot, and his unusual accurateness would have put dismay in stouter hearts, but it seemed as though this only added greater incentive to the Falls. A few minutes later the score stood 14-3, and then the locals opened up. With a burst of speed and flashy floor work the Falls started their great comeback which the Purple and Gold were unable to cope with. Clever passing and dribbling completely outwitted the Eau Claire guards, and in a short time the break between the scores had closed up. Beran found the basket four times, two of them being close-in shots. Cleberg sunk in a deep one far back from the center of the floor, followed by another clean shot by Beran nearly the same length. Eau Claire seemed unable to stop the Falls, and only by extending themselves to the limit were they able to hold a one point lead at the half. The half ended 16-17. Zam-john went out on personals early in the half, and Price went in for him. Jung, Collins, and Gibson also substituted.

The second half proved disastrous for the Falls. Eau Claire having recovered their earlier shooting ability again. The home team

(Continued on page four)

RED & WHITE WARRIORS AT STOUT SATURDAY NIGHT

Coach Cox's squad play another conference game with Stout at Stout on Saturday night of this week. Although we have not beaten Stout on the basketball floor this year, yet nobody will forget how close we came to it in that heart-breaking battle on February 5. The boys are after revenge for that defeat when they go to Stout Saturday. Let them know that we are all behind them.

GOLD FOOTBALLS

Last year the letter men of the 1924 State championship football team were each presented with a little token of appreciation in the form of a gold football on which was engraved: "State Champions 1924." It is needless to comment on the value which each of these men must place on these tokens from the students. However, I venture to say that the student body that gave them derived more pleasure from the giving than they would willingly forego for twice the cost.

This year we have another State championship football team, but as yet no action has been taken toward giving the members of that team gold footballs. However, the matter has not been forgotten; it has merely been delayed because of the problem of paying for the band uniforms has rather monopolized the field of student body finance. The matter of getting gold footballs will soon be brought up, and when it is, let's be ready to show our appreciation to the men who brought us another championship.

NO SMOKING ROOM NEEDED

There has been considerable agitation among some of the "furnace room frequenters" for a room that shall be set aside for their special benefit, to be known as their Smoking Room. So far there has been no open campaigning, perhaps because of fear of their worth being discontinued in various classes, but one of the opposing faction has stated his opinion as:

"Such a room in our school would prove so attractive to many of our men that they would spend time there that might profitably be spent at work.

"Let us be thankful for the eighteenth amendment, for without it we might expect considerable agitation for a bar for the convenience of those who thirst.

"So long as the school maintains its standards, we feel sure that it

will not number among its departments a department for the devotees of the cigarette."

Let's hear from the other side.

BE COLLEGIATE

With elaborate sarcasm the Michigan Onion advises freshmen to "neck, drink, occasionally study, and all will be well. Don't be original. Be collegiate. Wear the right clothes at the right time. It's collegiate to prefer Afro-American fox trot to a Beethoven sonata. Ah, by all means be collegiate. None of the herd will raise shocked hands and say, 'Bogone miserable, radical, pink socialist.'"

The picture we paint is not confined to this college. It is the shameful shadow that is being cast by the entire American system of education. Jazzed up cultures. Dollars and cents. To the dust bin with literature and the arts unless they can be turned to the profitable channels of scenario writing or short story work. Are you willing to be students worthy of the name? Thinkers that do not falter beneath the condemnations of the sleepy, mud-covered herd that grunt and amble its way down the ruts of oblivion?

—Exchange.

LOOSEN UP WITH YOUR NEWS

Sometimes little interesting occurrences that would make choice bits of news for the Student Voice escape the reporters and members of the staff; consequently, someone is disappointed because these things are not mentioned in the school paper. The obvious solution is for the person who knows about something interesting to call the attention of the reporters to it, or, possibly, to write it up and hand it in. If you would like to see something interesting in print, do not take a chance that the reporters will know about it; make sure that they do. All the members of the staff have their school work to do; hence, they may easily miss something that should be put in the paper.

LAST FRIDAY'S DANCE

Looking over the coming weeks' program it would be a fair guess to say that the dance Friday after the game will be the last for some time to come. From all appearances the defeat did not dampen the spirits of the students who dance for a South Hall gym was well filled.

We are sorry that the Eau Claire men could not stay for the dance for they were welcome. The social committee puts on good dances for they attract outsiders as well as normal students and grads.

G. A. A. SLEIGHRIDE

NEXT WEDNESDAY

The G. A. A. sleighride, which was planned for tomorrow night, will be next Wednesday night at seven o'clock. After the sleighride, the girls are going down to the Ideal for lunch. An excellent time is assured everyone. Plan to be there. Sign up in Miss Smith's room if you are coming.

Some Students You Will Hear And See When Nine Normal Schools Compete

Philip Weinberg, Orator
Whitewater Normal

Erwin Voigt, Extemp. Speaker
Whitewater Normal

The Normal schools were requested to send pictures of their representatives in the oratory and extemporaneous speaking contest to be held here March nineteenth. The pictures will be printed in The Student Voice when they are received.

This event in some respects exceeds that of our historical pageant held two years ago. The co-operation of all will make it what it should be—an unparalleled success.

ORGANIZATION NOTES

G. O. P.

Officers for the second semester took their oath at the regular meeting Thursday evening. The new president accepted the hammer (as a symbol of power), and the vice president, the nail (signifying that she is to the president as the nail is to the hammer). It was voted that this be accepted as a traditional procedure in installing new officers.

It was voted that a 100% G. O. P. would attend the Oratorical Contest on March 19.

The program was furnished by two recently admitted members who escaped a regular initiation. They lent their voices to a couple of popular songs and a bed-time story.

G. A. A.

Freshmen Take First Game of Tournament

Third Year Seniors won from Second Year by 31 to 10.

Last Thursday night after school the First Year Team took a fast game from the Second Year Team. The final score was 25 to 21. Portia Hill, Marian Miller, Ruth Foley, Laura May Mamson, Blanche Hillbert, and Lettie Nelson made up the winning team. Grace Martin, Pearl Olson, Helen Thies, Margaret Prosser, Laura Schifelbein, Jessie Bolin, and Myrtle Peters played on the Second Year team.

These Inter-Class games add much benefit and sport to the G. A. A. program.

Third Year Seniors are requested to pay their class dues before Monday if they do not want their names posted. Pay dues to Pat Ingli whenever and wherever you see him, and please be prompt.

AURELIA

The Aurelia voted that they would attend the Oratorical Contest 100%.

About a dozen girls from the Aurelia are going to assist some of the boys of the Lincolnian in meeting the busses and trains and showing the visitors to their places of abode while in attendance at the State Contest.

Other matters of business were attended to; after which a delightful program was given. A song was sung by the Quartette. A one act play, "Never the Less," was given. The characters in the play were: Billy, the boy, Lorene Brackin; Lou, the girl, Evelyn Moen; the Burglar, Lyla Van Alystine.

Several impromptu readings were given by Harriet Gilbert. The meeting was adjourned in time for the debate between Hamline and River Falls.

THE SANTA KLUX TRIO HERE THURSDAY

The Santa Klux Trio, which consists of piano, saxophone, and violin, will be here Thursday evening in the South Hall. This trio has been in several of the larger cities and has made a real hit. The program committee which secured these professionals, are indeed to be complimented on their good judgment.

As this trio is merely advertising it is expected that the student body will give them their support. No admission will be charged. Everyone is cordially invited to attend the concert. Watch the bulletin board for further information.

This and that

Several high school students visited school Monday.

Violet Bates spent the week-end at her home in St. Paul.

"Blue Monday" the faculty received their pay checks.

Margaret Williamson visited her sister, Adelle, here last week-end.

Helen Sutherland was at home in River Falls over the week-end.

Dorothy Surdson of Eau Claire, visited Frances Gass this week-end.

The Library Methods class spent Friday in St. Paul visiting libraries.

Tilda Hollingsworth and Flissie Bower spent the week-end in the cities.

Grace Gilbert of Ellsworth was here this week-end visiting her sister, Harriett.

Kathryn Monteith, '24, who is teaching at Siren, visited in River Falls Friday evening.

Alice Hennessy and Helen O'Brien, of Roberts, visited here with Friends Sunday.

Adalade Keating and Grace Martin spent Sunday at their homes in New Richmond.

Bessie Needham, '25, who is teaching at Maiden Rock, visited school here Monday.

Beatrice Roe spent the week-end with Thelma Best at the home of the latter in Downing.

Tilda Hollingsworth and Flossie day to accept a position as sixth grade teacher in Shell Lake.

Lyla Van Alstine and Frances Squires spent the week-end with home folks in Hastings, Minn.

Oliver Younggren, '25, who teaches at Somerset, attended the game and dance here Friday night.

Ethel Replinger, a student here last year, visited school Monday. Ethel is teaching at Range now.

Romola Cheney, '24, who is teaching at Baldwin, spent the week-end at home in River Falls.

Walter Bertrom, a student of Concordia College in St. Paul, spent Sunday with Margaret Jackson.

Edith Nelson, '24, who is teaching at Neillsville, Wis., spent the week-end at her home in River Falls.

Pat Ingli spent Saturday and part of Sunday at his home in Ellsworth. Sid Scoville was his guest for the week-end.

AG. NEWS

Tomorrow night, the Ag's. will hold their next meeting in Mr. Johnson's room, at 7 o'clock sharp. The program committee has arranged to have Lloyd Sherman address the society at that time. The title of his topic will be: "Soils and Fertilizers in Relation to Crop Production." The talk will undoubtedly be very educational, as Mr. Sherman's experience on the farm places him in a position to give first hand information on the subject. Let's have a 100% attendance, to show Mr. Sherman that we appreciate his coming to address us.

There will be other numbers that will be well worth while.

Last Friday a sectional meeting of Smith-Hughes Agriculture teachers was held at Chippewa Falls. Mr. May attended the meeting and reports that one-half the teachers present were graduates of this school.

John Burke was busy over the week-end in an effort to locate a position for the summer months. In his search, he interviewed the Eau Claire County Agent. His interests is in boy's and girl's club work. We are confident that John will get the position, as he was recommended by the State Club Leader and, besides, his merits along this line are exceptional.

Delwood Hendrickson left Sunday for Hillsboro, Wis., where he will take up the duties of an Agriculture Prof. in the Smith-Hughes school of that city. He has secured a leave of absence from school to substitute for Willis Davis, who is unable to teach at present because of illness. Delwood expects to be gone about a month.

The Agriculture film that was taken at this school, some years ago, is now being shown at Chetek, Wis. There are a large number of dates for the film that will be filled as soon as possible.

Henry Julian, '25, is running semi-official tests on some cows in the normal herd. Hank says he likes the work real well.

Sigrid Bakke, a student at this school for the past three years for part time only, contemplates being back in school at the beginning of the next quarter.

Cliff Olson purchased a 6-weeks old Guernsey calf from the Norriall and sent it home C. O. D. (collect on dad).

"Y" NOTES

Last night the first of a series of union meetings between all three of the Christian organizations was held. Mr. Schmoker, of the U. of Minnesota staff, addressed the group. This was the first regular meeting wherein the Y. M. C. A., the N. C. A. and the Y. W. C. A. all joined together.

Next week the Y. M. C. A. will put on a Geneva meeting. Last year there were six of the River Falls "Y" at the Student Camp at Lake Geneva. In preparation for securing delegates this year an "Echo" meeting to arouse your interest will be put on next Tuesday night. A real film of Lake

FALLS THROWS SCARE INTO EAU CLAIRE FIRST HALF BY OVERCOMING BIG LEAD

(Continued from page one) was weakened considerable when Cleberg went out on personals, and gradually the visitors crept ahead until they led by sixteen points when the final whistle blew. But the splendid display of basketball the first half was balm for the pangs of defeat, and the absence of the two regulars the second half can in part account for the final outcome.

Lineup: River Falls Eau Claire Beran r.f. Hoehn Cleberg l.f. Olsen Zamjohn c. Hawkinson Quandt r.g. Dahl Dawson l.g. Melz

Substitutions: River Falls: Price, Jung, Collins, Gibson. Eau Claire: Waldahl, Barkley. Field Goals: Beran 4, Cleberg 2, Dahl 6, Hoehner 4, Olsen 1, Zamjohn 1, Hawkinson 1, Barkley 1. Officials: McDonald, Smith, St. Paul.

COACH COX GIVES BANQUET IN HONOR OF FOOTBALL MEN

(Continued from page one) termination to do all in his power to help bring another championship to River Falls. Then Coach Cox gave a brief talk in which he expressed his appreciation of the co-operation that he had received from each member of the squad.

Of the eighteen letter men of this year's squad nine will graduate this spring. They are Capt. Matt Nelson, Heggen, Zamjohn, Quandt, Rademacher, Brooks, Jensen, Ingli, and Beran.

"AMERICA"

Miss Bridges surely did no more than justice to Griffith's production, "America," when she introduced it to the students and faculty last Thursday as being educational, inspirational, and thoroughly entertaining. A good sized crowd turned out Monday night to see the picture, and, in spite of its length, it was greatly enjoyed. Everyone was impressed with its seemingly historical accuracy. Appropriate music added much to the entertainment. Its being shown here was an opportunity for us all. The committee selecting our Monday night films is certainly doing its best to please us.

TERRIBLE CATASTROPHE!

Last Sunday evening while Professor Jacobson was washing dishes at the Congregational church, a horrible accident occurred. He was wearing his shining patent leather oxfords which he has for special occasions, and have only been worn twice in three years. Thirteen drops of dish water were spilled on his new shoes!! On discovering the misfortune he exclaimed, "What will my wife say? Will Charlotte G. get some Bon Ami and take those spots off before my shoes are completely ruined?"

MARCH, THE MONTH OF BIG EVENTS

"Get your lessons now; prepare for the busy time in March." The above is a good thing to keep in mind, for when March comes we will not have time to be doing the regular things we do everyday. This term will end the second week in March. We will be having final examinations at the same

time that the High School Basketball Tournament is in session. The new term begins the same week as the State Oratorical Contest comes, and, of course, we will all be going to that every afternoon and evening, besides trying to entertain our guests. Furthermore, there will be the regular movies every Monday night; an extra movie which comes on one of the Saturdays, a debate, a basketball game, and a play. These all come in the month of March, besides the two big events named above. And then, of course, we just must sleep and eat.
