## Funeral Mass Offered For E. J. Prucha Saturday

Funeral services were held Saturday, Jan. 10, at St. Bridget's Church for Edward J. Prucha, member of the college faculty since 1915.

Mr. Prucha died last Wednesday at the home of his daughter, Mrs. Russell Wilson, in Wausau. He had been in ill health for the past several months.

Mr. Prucha, who served as Registrar at the College from 1924 until he retired from the administrative position last spring, had continued to teach half-time in bacteriology up to the beginning of the Christmas vacation.

A graduate of Oshkosh State Normal School, his first teaching job was in a country school at Two Creeks in 1909. He served next as principal of the elementary school at Mishicot, his hometown, after which he attended the College of Agriculture at the University of Wisconsin, receiving the M.S. degree.

He was active in civic affairs and served for many years on the City Park Board and the City Hospital Board. He was a member of St. Bridget's Church.

He enjoyed fishing, hunting, golf and other sports and was a familiar figure on the River Falls golf course until this fall when his activities were limited by failing health.

In his position at the College, he served during the administrations of three presidents: J. W.

Crabtree, J. H. Ames and E. H. Kleinpell.

Commenting on the loss to the College, Pres. Kleinpell said, "Ed Prucha is an outstanding example of a man who devoted his life to education and to his students. His counsel and advice will be missed by all of us. Often carrying a heavy administrative and teaching load, he always had time to care about the problems of others and to keep a sense of perspective and a sense of humor. He went out of his way to commend a student or fellow faculty member on any achievement."

Mr. Prucha is survived by two sons and a daughter: Father Paul (Continued on Page 2)

## 'Winter Wonderland' Theme for FFA Dance

"Winter Wonderland" is the theme of the Winter Semi-Formal dance to be held Friday, Jan. 16, in the Hudson gymnasium from 9 p.m. to 1 a.m.

Sponsored by the F.F.A., the semi-formal dance will feature the music of Bob Leighton and his orchestra from St. Louis Park, Minn.

Co-chairmen of the event, Dale Wyss, senior from Boyceville, and Dick Danke, senior from New London, urge students to attend this activity. Tickets will be available for \$1.50 a couple.

## Carnival Fashions Call for Beards

Beard growing will soon be in full fashion according to Gwen Schlough, Carol Korsmo, and Phyllis Anderson, co-chairwomen of the Winter Carnival to be held Thursday, Feb. 19 to Sunday, Feb. 22.

The beards will be judged at the F.F.A. Talent Show on Thursday, Feb. 19. Awards will be given for the heaviest, most unusual, and longest beards, with five, three, and one dollar prizes for the winning beard in each category.

Entrants for the contest may register in the cafeteria on Monday, January 19, between 8 a.m. and 4 p.m.

Campaigns for Winter Carnival King will get underway on Tuesday, Feb. 10, when candidates will be presented at an all-school assembly scheduled for 10 a.m.

This year's King candidates

will be sponsored by campus organizations, replacing the petition method used in previous years. Two small organizations may sponsor a candidate together. To be eligible, a candidate must be in the junior or senior class and be approved by the Dean's Office according to academic standards. Any one of the chairwomen will accept nominations before Monday, Feb. 2.

Sponsoring organizations will pay campaign expenses, which have been limited to twenty-five dollars for each candidate.

An all-school election will be held on Thursday, Feb. 19, to elect the King, who will be crowned at the Talent Show that evening.

Plans are being made to honor the King chosen to reign over the 1959 Winter Carnival activities.

Glenn Tinkham

for the past 12 years, and was recently re-elected to the position.

## Adeline Levin Leaves To Work on Doctorate

Miss Adeline Levin of the physical education department will take a leave of absence from the college starting Jan. 15. She will be replaced by Miss Emogene Nelson, a former student at River Falls.

Miss Levin, who joined the faculty in the fall of 1953, will work on her Ph.D at New York University.

Miss Nelson graduated from La Crosse State College with a physical education major, after two years at River Falls. She has taught in Durand, Cornell and Spooner and at Florida Southern College. Miss Nelson received her M.A. from the University of Minnesota and was on the faculty of Mankato State College in Minnesota last year.

# The Editor Speaks . . .

River Falls has many alumni who work actively and contribute time and money to the college. These people are now indirectly reaping the benefits of the college.

But students presently enrolled are directly receiving dividends from their life on the River Falls campus. And these same students will have a chance to contribute to the college next week, when the annual Foundation Week is scheduled.

All of us know that each year money raised during Foundation Week is used to further some worthwhile project on campus. This year the committee is striving for funds to purchase a sound system for the Student Union. As this will be a direct benefit to the students, we urge you to give your support to the program. You'll find it will be fun, too, for a variety of activities is planned.

The advantage of having a Foundation Fund was shown recently when the Federal government set up a national loan fund. Under this program, each state is allotted a sum of money which its colleges can distribute for student loans. However, each college must contribute one-ninth of the amount borrowed from the government. This sum would stay in the loan fund as long as it is in operation. River Falls will be able to use money from the Foundation Fund to fulfill this requirement, thus establishing more loans for students—another direct benefit.

The purpose of Foundation Week, however, is not just to raise money. By this program the committee hopes to remind people now enrolled that they will one day be alumni. It is their hope that students will assume certain obligations for the college as so many present alumni do.

The college relies heavily on alumni to inform people about River Falls and what it might accomplish for students who come here. College ties are not severed by graduation.

(Continued from Page 1) ing the building for one year is estimated at \$46,000. Student fees will cover \$27,000 for rental, and the remaining \$19,000 will be raised through the cafeteria and the bookstore.

The main floor of the building will contain a bookstore, dining area, including a snack bar with seating capacity of 80, a lounge area, an office for the director of the Student Union, two meeting rooms and a conference room.

The basement area will consist of a games area with ping pong, billiards, TV and a lounge area, three meeting rooms, and offices for the publications.

Three meeting rooms and an office which will be shared by the Student Senate and the governing board will be located on the second floor. There will also be a kitchen unit, which will serve approximately the same function as the Social Room in South Hall.

January 5, 1959

The meeting was called to order by President Clarence Dulek. After the secretary's report was approved as read, the treasurer reported balances of \$919.85 in the Student Senate account, \$525.32 in the vending machine account and \$60.29 in the River Falls account.

Two students, Chuck Norelius and Pat Lind were appointed to the Student Union Board of Governors to formulate policy for the operation of the union next year. Current plans call for the vice-president of the Senate to be a non-voting member of the board to give the board a closer connection with the Senate.

A skating rink is being made on the tennis courts. If the rink is to be continued during the winter months, student help will be needed. Students who would like to volunteer services may do so by contacting the Senate.

SAC was discussed, and its purpose emphasized as that of advising the Student Senate of the students' needs. The possibility of having each organization elect a SAC representative other than the president was considered as a way of getting better interest

and attendance at SAC meetings. The next SAC meeting will be held Jan. 22.

The seminar rooms in the library are now open for group study projects. Arnie Kaluzny reported that the music listening room in the library has been tentatively approved as a site for a TV set tuned to the educational television channel.

Before adjourning, the Senate approved the use of the Student Center on January 17 for the "B" Debate Tourney.

Secretary, Jim Laue  
Absent: Swann, O'Connell.

SAC — Dec. 18, 1958

The meeting was called to order by Student Senate Vice-president Curt Larson.

The Senate will cooperate with SAC in holding a leadership clinic for newly-elected organization officers this spring, Vice-president Larson reported. Flooding of a campus area for a skating rink was discussed.

Bob Nelson reported on the progress of the school ring project. Representatives of the Bal-four company have met with the Senate, and will submit designs for a ring in January. Cost of the rings is expected to be about \$25. Rings, as well as school pins, will be available to all students and alumni.

Nominations were accepted for the Board of Governors of the Student Union. Up for the three student positions are Gwen Schlough, Chuck Norelius, Don Noltner, Russell Lee, Beatrice DeGidio, David Skoug, and Pat Lind. They will be summoned to the next Senate meeting before the final vote is made.

Gwen Schlough reported on Winter Carnival, which will be held February 19-22. Ski-Mac at Somerset will be rented by the college for the Friday afternoon and evening activities of the Carnival.

Student suggestions will be welcomed by the Senate committee which is studying registration procedure and other academic matters. A suggestion box will be placed in the cafeteria, and the committee will meet with Dr. McLaughlin in the near future.

## Schlesinger to Address RF Student Body in March

One of America's leading historians, Arthur Schlesinger, Jr., will address the student body at 2 p.m., Friday, March 20, in North Hall Auditorium.

Mr. Schlesinger, whose picture appears on the Jan. 3 issue of the Saturday Review, graduated summa cum laude from Harvard. During the war he served in the Office of War Information in Washington and in the Office of Strategic Services in London, Paris, and Germany.

The New York Times says: "Mr. Schlesinger, Jr. ranks among the foremost in the new generation of vigorous social thinkers." He has a clear-cut philosophy of history which he presents with force and illustrations in distinct, comprehensible English. His lectures are scholarly, yet witty and entertaining.

His books, "The Vital Center," and "The General and the President," are brilliant discussions of contemporary political and social problems. "The Age of Roosevelt," the last half which was published in 1958, is a portrait of America during the years of 1932-1945. He has also contributed articles to Life, Fortune, Atlantic Monthly, Harper's, and other periodicals.

In recent years Mr. Schlesinger served as a consultant for the Economic Cooperation Administration and the Mutual Security Administration.

Gavin Weis is to be a scientist in soil conservation at Waukesha. Mr. Weis majored in agriculture and is from Amery.

## River Falls to Cooperate In European Study Program

The River Falls campus will extend its boundaries to Europe this summer. An opportunity is offered to students to join students and instructors of Hope College, Holland, Mich., for a summer tour which combines study at the Vienna Summer School with travel in Europe.

Students enrolled in the summer school can earn from two to eight semester hours academic credit in undergraduate courses. Credits obtained during the summer may be transferred to River Falls or to other undergraduate institutions. Included in the curriculum will be five liberal arts courses in history, music and literature and courses in the German language. The faculty will consist of members of the faculties of the University of Vi-

enna, The Institute of European Studies, and Hope College. Dr. Robert Bailey of the social science department will serve as an associate instructor.

The program will begin on June 6 with departure from New York. During the ocean voyage, students will have briefings on the political, social and economic conditions of areas to be visited and review courses in French and German will be available.

The initial phase of the program will be a three-week study tour through The Netherlands, Belgium, France, Germany, and Austria. Following this, students will attend classes in Vienna. Field trips, including a weekend trip to Italy and Yugoslavia, will be made from Vienna.

The final phase of the program will enable students to travel independently or take part in an organized tour. The members will regroup for the return trip on August 31 from Rotterdam.

Cost of the program is \$800, in addition to funds for tuition (\$15 per credit hour) and for the period of independent travel. Former students and students of neighboring colleges are invited to join the River Falls group. Those interested in the program are asked to write or contact Dr. Bailey or to come to a general organization meeting on Tuesday, Jan. 13, at 7:30 p.m. in the Knotty Pine Room.
