## Harry James, Top Musical Artist, To Play for Dancers at Junior Prom

### READERS' THEATRE TO FEATURE HUMOR WEDNESDAY EVENING

by Mark Wyman  
Presenting three humorous plays under the heading "Cavalcade of Comedy," the annual "Readers' Theatre" will be held this Wednesday, May 14, at 8 p. m. in the Little Theatre. Admission is set at fifty cents.

Dr. Blanche Davis is director of the Readers' Theatre, which will present Oscar Wilde's "The Importance of Being Earnest," Helena's Husband," by Philip Moeller; and "A Phoenix Too Frequent," by Christopher Fry. During the two intermissions, the Madrigal Singers, directed by Miss Mary Laura Johnson, will perform.

"The Importance of Being Earnest" is "one of the famous classics of comedy," according to Dr. Davis. Wilde's great play deals with a young English man-about-town who poses as another person in an attempt to win the hand of a young woman of high social position.

In Moeller's "Helena's Husband," the author presents his idea of the kidnapping of Helena by Paris and the cause of the Trojan War. "A Phoenix Too Frequent" concerns Dynamene, mourning for her deceased husband in his tomb in order to be reunited with him in the hereafter, who is joined by her maid servant Doto. The plot in Fry's plan, set in the first century B.C., thickens somewhat with the arrival of a romantic Roman guard.

Members of the casts for the plays are as follows:

- The Importance of Being Earnest ----- David Blank
- Ernest ----- Frank Holub
- Algernon ----- Delores Anderson
- Gwendolyn ----- Ora Fast
- Lady Brackness ----- Karen Gatten
- Cecily ----- Beverly Ramacier
- Prism ----- Beverly Ramacier
- Helena's Husband
- Helena ----- Taloa Starr

River Falls students will dance to the music of one of the county's top musical artists, when Harry James and his Music Makers appear at the Junior Prom Friday, May 23, at the Hudson gymnasium.

ALL THE CATS will be out the night of May 23 to hear Harry James play at the Junior Prom. This one seems to be no exception.—Photo by Doetkott.

Mr. James and his band have achieved popularity in nearly all fields of musical entertainment. Among the stars Mr. James has brought into the spotlight are Frank Sinatra, Dick Haymes, Connie Haines, and Kitty Kallen. The band plays both sweet and swing music, but at least 65 per cent of their current repertoire consists of the former kind of music.

## Veterans Plan Children's Day

The college Vets Club will sponsor their fourth annual Children's Day for underprivileged children in Pierce and St. Croix counties, Saturday, May 17.

These children range from 7-14 years and are selected through the Welfare Department of the two counties. Tom Pfaff, chairman for the event, said that the money taken in at the Vets Variety Show will pay the expenses for the day.

A group of about 90 children is expected to take part in the day's activities, which include, first of all, in the morning, a treasure hunt under the direction of Dick Pudas. Following the treasure hunt will be pony rides, swimming, volleyball, softball, and movies, directed by Larry Hanson.

Dinner will be served to those taking part, compliments of Russ Fleischauer, with the Vets doing the work. As in the past, the soft drinks will be furnished by the Seven-Up and Coca Cola bottling companies.

Students enrolled in Child Development courses are also helping with the event and will receive credit in this course for working with the children.

## Students to Take Part in FFA Tractor Rodeo

The annual tractor-driving contest will be held Wednesday, May 14, by the collegiate F. F. A. chapter.

## COMMITTEE TO MAKE SCHOLARSHIP DRIVE

The Hungarian Scholarship Committee will be making a drive for funds this week to continue the scholarship to Ferencz Voros, refugee student who was brought to the campus last September.

As a result, reminders will be sent to those who have unpaid pledges from the previous drive and new pledges and donations will be accepted. Assisting in the mailing will be members of Sigma Chi Sigma.

The committee, which raised funds to finance the first year of college education for a Hungarian refugee, began to function immediately after the revolt in the central European nation was crushed by Russian tanks more than a year ago.

With the cooperation of the World University Service, Mr. Voros was brought to the campus where he is majoring in math and physics.

## Coeds to Co-edit 1959 Meletean

The Student Senate has named Sue Christenson and Harriet Kettelkamp as co-editors of the 1959 Meletean, with the recommendation of Wayne Wolfe, advisor.

The 1959 book will be informal in layout and will have about the same number of pages as this year's, depending on enrollment, said the new editors.

Miss Christenson, a sophomore from Minneapolis, is majoring in English, with minors in psychology and sociology. She is the past secretary-treasurer of NCTE, and is also active in Masquers, AWS, and Psychology Club. Miss Christenson serves on both the Meletean and Student Voice staffs.

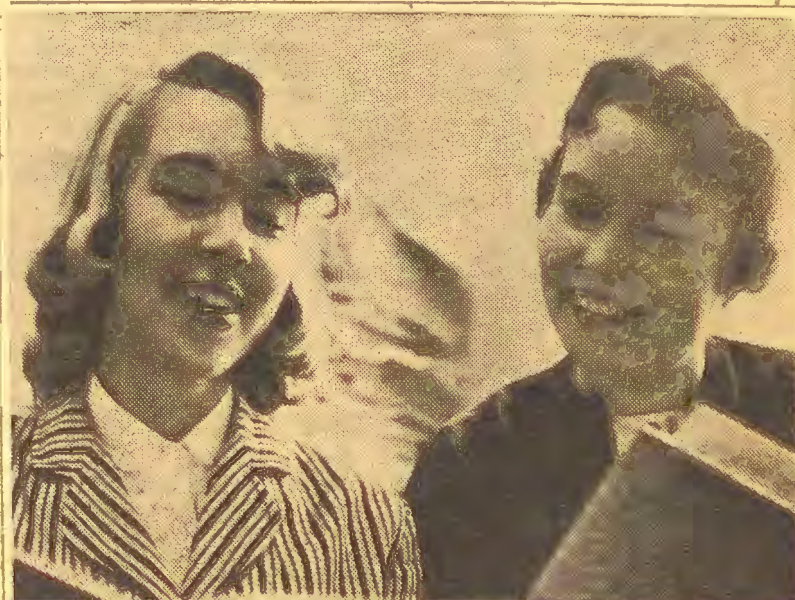

Miss Kettelkamp, who is a sophomore from River Falls majoring in medical technology, participates in AWS, German Club, Young Republicans, and is on the Student Voice staff and Meletean staff. She has served on Traditions Day and Freshmen Initiation committees. She will be co-editor of the Student Voice during summer school.

## Dorm Girls to Sponsor Outdoor Dance, Social

Hathorn Hall will sponsor an Ice Cream Social on Friday, May 16, and a Tennis Court Dance on Saturday, May 17. General chairman for the two events is Gwen Schlough.

Everyone is invited to the Ice Cream Social, which will be held from 7:30 p. m. to 10:30 p. m. on the lawn behind the dorm. Cake and ice cream will be sold for 10c, with free coffee served throughout the evening.

The Tennis Court Dance is scheduled from 9 p. m. to 12 p. m. on Saturday night. No admission will be charged and refreshments will be sold. Music will be recorded.

# The Editor Speaks . . .

During this time of year, the campus is filled with signs, "Vote for Johnnie," "Vote for Janie for Secretary," etc. Many of the elections for organizations and classes have already been held. You have already selected these people to run your group for the next year.

But, did you vote wisely? Or did you take on an apathetic air and vote for the first person listed for each office? Did you vote at all?

These people are those who are going to make decisions for a large group—especially class officers. When these decisions are made, remember that it is you who have put them in the decision-making office. It was your vote that gives them the privilege of running the organization or class in the way they see fit. Remember this when they do something with which you do not agree.

In a few weeks elections for Student Senate will take place. At this time, perhaps more than any other, you should vote intelligently. Policies for all students are formed by this governmental group. They are the persons who sponsor activities throughout the year, indirectly through the Social Committee. The Student Senate is also in charge of all Homecoming and Winter Carnival activities and makes allocations from the Student Activity fund.

If you want top-notch events on the calendar next year, you must vote for the top-notch people in the coming election. It is wiser to vote for Susie because she is capable and well-qualified, rather than Janie just because you've known her longer. It is wiser to vote for someone because they would take a firm, competent hand in running affairs of the college, rather than because they are "nice" kids.

For those students who don't vote in any election, a word of warning. When the decisions that are made are not the decisions you wanted, you've no cause for complaint.

# Student Senate Minutes

The May 5 meeting of the Student Senate was called to order by the President, Lewie Johnson. Students on the preliminary list of candidates for Homecoming Chairman appeared before the Senate as a means of better acquainting the Senate with all candidates.

The Social Committee for the school year 1958-59 was selected and is as follows: Carl Duch, Muriel Peterson and Jim Bastien as three carry-over members from this year's committee. Carol Nalberg and Dean Loree will represent the senior class; Delores Anderson and Charles Norelius, the junior class; and Karen Gatten and Dave Johnson, the sophomore class. The two freshmen committee members will be chosen in the fall.

The constitution of the class of 1961 was presented to the Senate and was not approved. A suggested revision was made by the Senate.

On a recommendation from Mr. Wolfe, the Senate granted the co-editorship of the 1959 Meletean to Sue Christensen and Harriet Kettelkamp.

The Senate election was discussed. It was decided that pictures of all candidates will be taken and posted at the polls. All candidates will be presented to the student body at an all school convocation on Rec Day, Tuesday, May 13 at 10 o'clock.

A motion was presented by roll call vote which reads as follows: Names of members of the Student Senate who are up for re-election will be so designated on the ballots by having incumbent placed after their names. This is being done because three members of this year's Senate must be re-elected. This is in compliance with Article II of the Senate Constitution.

The roll-call vote on the above motion reads as follows: O'Connell, no; Christensen, yes; Jensen, yes; Schoenwetter, yes; Stern, yes; Kinney, no; Dulek, yes; Larson, yes; Martell, no; Fleming, yes.

# Cindermen Finish Second and Third; Will Run in Bi-State Meet Saturday

After finishing second in a triangular meet and third in a quadrangular last week, Coach Fran Polsfoot's Falcon track team will travel to Mankato this Saturday for the annual Bi-State meet.

Competing in the event will be St. Cloud, Winona and Mankato from Minnesota State College conference and Eau Claire and River Falls from the Wisconsin State College conference. The three Gopher state schools are expected to battle it out for the title, which was won by Mankato last year.

Mankato rolled up a convincing 110 1/2-26 5/8-25 5/8 victory over River Falls and Carleton in an evening meet on May 6. The host team Indians rolled up 14 of a possible 16 firsts and tied for another. Del Mottaz and Dale Henning tied for first in the high jump to pace the Falcons.

Saturday at Ramer Field the Falcons took part in a quadrangular which found Winona coping nine of 15 first places to walk off with an easy victory. The final point totals were:

- Winona—84 1/2
- Stevens Point—65 1/2
- River Falls —47 1/2
- Eau Claire—20 1/2

There were three double winners in the meet, two of them from Winona. The Warriors' Pat Marren copped the high hurdles in 16.1 and leaped 11'0" to take the pole vault, and Bob Scott took both of the distance events, winning the mile in 4:46.9 and the two mile in 10:44.2.

River Falls' Frank Sprenger was the other double victor, bringing home the only Falcon firsts. Sprenger stepped out in flawless form, flashing to a 10.2 victory in the 100 and 22.4 triumph in the 220, missing the school records by .2 and .4 respectively.

Other Falcons point-getters: Del Mottaz—9 1/2 points on second in the pole vault and tie for second in javelin and high jump. Fred Coleman—8 1/4 points on second in 440 and 880 and as a member of the relay team. Bill Shimmel — 7 points on third in the two mile and fourth in the

mile and pole vault. Cliff Lindsay — 3 points on fourth in the 100 and fifth in the 220. Aaron Burchell — 3 points on third in the discus. Dale Henning—2 points on tie for second in the high jump. Fred Flanagan — 2 points on fourth in the two mile. Vern McKinney — 2 points on fourth in the broad jump. Bob Thoreson, Walt Wanzong and Neil Nordquist — 1/4 point each as members of the relay team.

## Halverson Sets Pace; Golfers Win First Five

Ben Bergsrud's golfers made it five straight Saturday by defeating Michigan Tech 8 1/2-6 1/2. Again it was Bill Halverson who paced the Falcons as he shot a one over 71 to be medalist for the meet.

Coach Ben Bergsrud's boys found little competition from Bethel golfers as they rolled to an 18-0 win. Again it was the kid from Durand, Bill Halverson, who took all honors as he shot a dazzling four under par 66, to be medalist for the match.

Jim Hallen shot a pair of 37's in picking up his three points. This was third lowest for the match. Falcons Hilton Schroeder, Valmer Barrows, and Jerry Stearn also shut out their opponents in registering the perfect team score.

**TRI MEET AT ROCHESTER**  
Falcon freshman, Valmer Barrows, pulled out the rule book on the 18th hole and showed his opponent that he must "put out" and thus gave River Falls a narrow margin victory over Mankato in a tri-meet at Rochester, Miss., last Thursday. River Falls had 20 1/2 points while Mankato and Winona had 19 1/2 and 14 respectively.

Bill Halverson tied for medalist honors with Meyeraaw of Mankato and Grupa of Winona as all three shot one over par 71.

## MICH. TECH. NETTERS DOWN RF TEAM 7-0

Michigan Tech handed River Falls their second straight tennis setback Saturday when they downed coach Levi Muncy's squad 7-0 on the local courts. The powerful Tech team seemed to have little trouble with the less experienced Falcon outfit. Only Dave Peterson came close to notching a victory for River Falls as he lost to Bob Perry of M.T. in straight sets 5-7 and 6-8.

Complete results are as follows:

Singles: Roy Johnson (MT) over Joel Anderson (RF) 6-0, 6-3; Olav Urhein (MT) over George Johnson (RF) 6-0, 6-0; Jerry

# Pagemen Top Bluegolds; Play LaCrosse for Title

The River Falls baseball team journeyed to Eau Claire Saturday and blasted their way into the heat of the conference race by downing the Bluegolds twice, 14-3 and 7-2. Meanwhile La Crosse had to settle for a split with Stout which leaves the Falcons in sole possession of first place with a 5-1 mark. A split with La Crosse this coming weekend will give River Falls the title for the Northern half and place them in a playoff with the Southern Division winner that would be played here May 24.

In the first half of the twin bill the Pagemen tore the cover off the ball with 17 hits being registered in the scorebook. After a throwing error by Bluegold thirdbaseman and former Eau Claire Braves star Frank Benevides had put the Falcons ahead 4-3, basehits began to ring with consistency. This barrage enabled Lewie Johnson to coast to his third victory without defeat after he had suffered a rather shaky start. Hitting stars for the Falcons were Bob Maxwell and Al Suezaki as they came up with four and three bingos respectively.

For the day this same pair came up with a total of ten hits and proved why they are battling in the one and two spots in Coach Don Page's lineup. The most sparkling defensive play of the first game saw the kid from Kalaekakua go into the hole for a hard ground ball and turn it into a dramatic game ending twin killing.

### Second Game

Senior right hander, Ken Barrows, took the mound for River Falls in the second game and tossed a sterling three-hitter to best his pitching opponent Don Jordan who had thrown a no-hitter against La Crosse the previous Saturday.

Second string catcher Roger Piehl, duplicated a fete of a couple of weeks previous by blasting a two run shot in the first inning off the former Eau Claire Brave

curveballer. Barrows was completely masterful in picking up his fourth win. His control left little to be desired as he walked only one and was consistently ahead of the hitters throughout the afternoon.

Before journeying to La Crosse next Saturday for the do-or-die doubleheader, the Falcons will entertain Superior in a twinbill here on Rec Day, Tuesday.

River Falls won their 12th baseball game in 14 starts last Tuesday, 18-5, at the expense of Bethel College of St. Paul, Minn.

It was the slugging of Falcon second sacker Bab Maxwell that gave River Falls their large margin of victory. "Max" came through with a double, a triple, and a booming homerun to drive in seven runs. Helping out in the extra-base hit barrage was Dale Crisler with a triple, and Gary Rohde, Rog Piehl, and Ev Glaser with doubles.

Starter Jim Turnquist was the winning pitcher as he yielded only six singles in eight innings while fanning six and walking only one.

"Turnie's" record now stands at two wins and one loss.

If you answered "No" to all questions, you obviously smoke Camels — a real cigarette. Only 6 or 7 "No" answers mean you better get on to Camels fast. Fewer than 6 "No's" and it really doesn't matter what you smoke. Anything's good enough!

But if you want to enjoy smoking as never before, switch to Camels. Nothing else tastes so rich, smokes so mild. Today more people smoke Camels than any other cigarette. The best tobacco gives you the best smoke. Try Camels and you'll agree!

# DR. KUENZLI GETS APA APPOINTMENT

Dr. Alfred E. Kuenzli of the psychology department has been appointed recently to a national committee of the American Psychological Association which will study applications of psychology in the field of teacher education.

At present the committee is concerned with problems involved in the in-service training of teachers and is in the process of organizing a series of institutes for educational psychologists which will be held over the next two years.

Dr. Kuenzli has been invited to participate in a symposium on problems of teacher education which the committee is planning for the annual convention of the American Psychological Association this summer in Washington, D. C.

# ACEI Elects Officers

Helen Monchilovich, junior from Cumberland, has recently been elected to head the ACEI for the next school year.

Other officers elected at the meeting include: vice-president, Marie Forman, junior from Cadott; secretary, Mary Dougherty, junior from Spooner; treasurer, Rita Murphy, junior from Ellsworth; and publicity chairman, Marilyn Elliot, junior from River Falls.

"BUT, MR. ALFIERI, there must be a law against that sort of thing," says Doug Krug to Mike Dodge in a scene from "View From the Bridge" to be presented next week in the Little Theatre. —Photo by Doetkott

# Students Stage 'View From the Bridge'

Arthur Miller's play, VIEW FROM THE BRIDGE, will be presented in the Little Theatre May 20 and 21 at 8 o'clock. It is a student production directed by Henri Elzinga, a senior from Sheldon.

In the play, Miller is trying to show what can happen to a man,

any man, who is a product of his environment. A man is crushed by his environment and usually conforms to the set pattern prescribed to him. In Miller's play the unusual happens. The character, Eddie, portrayed by Doug Krug, meets a situation in which he is stripped of his social veneer. He stands as a naked person, with his emotions and passions revealed for all the world to see.

The production has an unusual aspect in that one of the parts is being played by a member of the college faculty, Henri Allard, French instructor. This is the first time in seven years that an instructor is taking part in a college play.

The setting and lighting will be impressionistic. Lights will be handled by Griff Howell.

# Two Music Students To Give Performances

Two recitals will be presented this month by students in the Music Department.

Harry Elzinga from Sheldon will play his senior piano recital Thursday, May 22. Dixie Prine, pianist, and Robert Hotal, violinist, will present a joint recital Tuesday, May 27. Miss Prine is from Ellsworth and Mr. Hotal from River Falls.

Both programs will be held in North Hall Auditorium at 8 p.m.

# Students Elect Class Officers

Elections for officers for the 1958-59 school year were held last week by the freshman, sophomore, and junior classes.

Chosen as president of the class of '61 was Bob Nelson from Amery. Other freshmen elected to office were Kurt Peterson of St. Croix Falls, vice president; Ruth Fick of Wilton, secretary; and Karen Wright of Hastings, Minn., treasurer.

Arnie Kaluzny from Milwaukee will head the sophomore class next year. Other officers include Richard Thorbus of St. Paul, Minn., vice president; Alma Bents of Cornstock, secretary; and Pat Lind of Minneapolis, Minn., treasurer.

James L. Benson of Bruce was elected president of the junior class for next year. Also elected to office were William Pickering of Eau Claire, vice president; Helen Monchilovich of Cumberland, secretary; and Bill Shimmel of Merrill, treasurer.

### GOLF— (con. from page three)

Ralph Ryan came through with a steady 75, to be second low for the Falcons. One of the high-spots as far as River Falls was concerned was the fact that Jerry Stern, freshman from Hastings, picked up five points while shooting in the sixth slot.
