

# Student Voice

VOLUME XLIX NUMBER 22

RIVER FALLS STATE COLLEGE

MONDAY, MARCH 4, 1963

The New Wine Singers will headline the entertainment at "Driftwood", this year's cabaret. The vocal group appears in night clubs in the Chicago area.

## Cabaret Set for March 16, 'New Wine Singers' Will Be Highlight of Entertainment

The New Wine Singers, a vocal group from Chicago, will be the headliners at this year's cabaret, to be held Saturday March 16, in the Student Center.

The Cabaret will have "Driftwood" as its theme.

The Singers, composed of four men and one woman, was recently signed by Mercury Records. The Cleveland Press wrote about the group. "The New Wine Singers sing wonderful ballads that span the years from the 18th century, right up to the moment with a biting satirical number entitled, 'Norman Vincent Peale'."

A cabaret is defined as a res-

taurant where customers are entertained, and the Social Committee is planning the evening to live up to its definition.

"Drinks" and hors d'oeuvres will be served. The cover charge is \$1.50 per person, and reservations may be made in the Student Center March 13-15. This will include all entertainment and refreshments.

The cabaret, which is being held for the fourth year in a row, is sponsored by the Social Committee.

Cocktail dresses are in order, and men need not buy corsages for their dates.

## Students to Pay Fees This Week

Students should pay their fees for next quarter during finals this week, the Registrar announced.

Fees will be receivable in 219N at the following times: From 8:30-11:30, Tuesday, Wednesday and Thursday, March 5, 6, 7, and from 8:30-11:30, 1:00-3:00, Friday, March 8. A Board of Regents ruling states that "those registering late (on March 11, 1963 or after) will be subject to a \$10.00 late registration fee unless excused by the administration." Fees will be received from late registering students in the Business Office between the hours of 1:00 p.m. to 3:00 p.m. on March 11, 12, 13, 14, and from 3:00 to 5:00 p.m. on Friday, March 15, 1963. Registration materials must be validated

in the Registrar's Office before paying late fees.

Faculty members may not permit a student to attend a class unless the instructor has a class card bearing the student's name. A student may obtain an auditor's card by applying at the Registrar's Office.

The faculty has ruled that "anyone in residence registering for the spring quarter will be expected to attend each class or laboratory during the first week of classes or will have his load reduced to not more than 14 hours. No exceptions will be made unless authorized by the Registrar. Absences during the first week of classes will be reported to the Registrars Office."

Drop-adds will be processed in the Registrar's office between 10 a.m. and 12 noon on March 11 through March 15.

Textbooks in non-sequence courses will be issued starting March 11, 1963.

## Secondary Committee to Meet March 20

The annual Secondary Student Teaching Screening Committee composed of professors from all college departments and from the School of Education will meet Wednesday night, March 20 to evaluate each prospective 1963-64 secondary student teacher. Information concerning academic and professional courses will be used by the committee to determine each candidate's eligibility for student teaching. Candidates are expected to show: (1) sufficient academic competence in their major and minor fields as well as in professional education courses, (2) proficiency in writing and speech, (3) an honor point ratio of 2.25 in their major, and, in the words of the North Central Association, (4) "An ability to realize their own problems (academic and personal)".

The committee will recommend to the Coordinator and Secondary Education that a candidate be allowed to student teach in the quarter scheduled, that student teaching be postponed until proper academic or professional work is completed and proves satisfactory,

### Placement Office Lists Week's Job Interviews

The placement bureau has announced that the following schools will have interviewers here for the purpose of signing seniors.

March 5--Oceanview School, Huntington Beach, Calif. from 9-3.

March 8--Somerset school system at 9 a.m.

March 7--Hudson school system, at 9 a.m.

Interested seniors will sign up immediately.

or that the candidate be counseled to reconsider his educational plans at River Falls State College, Student

### VOICE STAFF

There will not be an issue of the Student Voice next week, due to final exams. The next issue will appear March 18.

There will be an organizational meeting for the Student Voice for the spring quarter. All those interested in working for the paper please attend. It will be held in the Student Voice office Monday, March 11, at 7:30 p.m.

teaching assignments to schools will be completed for fall and winter quarter students by May; spring quarter assignments are completed during next winter-quarter.

As in past years student teachers will be required to attend the August pre-school workshop in their assigned school. Experience has shown that participation in this activity provides the student with a necessary background into the educational culture of the school. Students meet prospective teachers, often obtain textbooks, and in many cases work out a tentative teaching schedule months before the actual student teaching occurs. Attendance at a pre-school workshop is an effective way to begin the student teaching experience.

## Naturalist Will Show Alaskan Winter Film

Naturalist Cleveland P. Grant, a lecturer and photographer, will appear at 1:25 p.m. Wednesday, March 13, in North Hall Auditorium for an all-school convocation.

Mr. Grant, who has worked with Walt Disney on several films, last appeared in River Falls in 1961. The program he will present this year is entitled, "Winter Comes to Alaska."

This film is the most realistic program students could see. Mr. Grant flew to Anchorage and arrived at Timberline in the Alaska Range as the tundra changed from green to gold. The big bull moose were just starting to lose the velvet from their antlers. The ma-

gesty of these towering Alaska bulls, with their five and six foot crowns, grown new each summer, is wonderful to see. The Red Fox, Cross Fox and Grizzlies had their new autumn coats.

The bull moose and caribou shed the velvet from their antlers as the tundra changed from amber to red. They polished their antlers and started sparring as the autumn leaves fell. Then the tundra was blackened by frost and whitened by snow. The Dall Sheep came down off their high summer range, and the Grizzlies dug their dens.

Mr. Grant is being sponsored by the Concert and Lectures Committee.

## Senate to Give Individual Awards For Recognition

At last week's Student Senate meeting, Larry Feltes reported that the Student Center Governing Board, the Student Center Public Relations Committee and the Student Center Activities Committee have voted to merge into one 14-member committee. A new constitution governing the actions of this committee is being formed.

In other major senate action, Wayne Hendrickson was assigned the task of into the possibility of establishment of a uniform award system, with small individual trophies to be awarded.

Feltes reported that at a meeting with the cheerleaders, they had decided they did not want letters this year, because they felt that the Senate was forced into something it wanted to do. They also reported that they wanted a faculty advisor, and they wanted to be organized on a varsity basis.

After the report, it was decided by the Senate that Dusty Sandborgh be held responsible for the unauthorized bill which he incurred.

The Senate will meet jointly with the Student Advisory Council for its March 11 meeting, at which time the ramifications of the proposed constitutional amendments will be explained.

## Ace Foods Will Offer Free Food and Drink During Finals Week

Lee Palmer, manager of Ace Foods, announced that on Tuesday, Wednesday and Thursday of this week, students on the prepaid meal plan are invited to have free peanut butter or jelly sandwiches plus, free milk or coffee, between the hours of 10 a.m. and 4 p.m. at the main floor of the Snack Bar in the Student Center. Students are requested to show their meal tickets.

All students will be offered, between the hours of 9:30-11 a.m. and from 1:30-4 p.m., any item in the Falcon's Cage free if a similar item is bought for the full price--buy one and get one free.

All students and faculty are invited on Friday to have free coffee between the hours of 9 and 11 a.m.

**Editorials**

**Thank You**

For the last editorial that we will write as editor of the Student Voice, we would like to thank all those people who assisted us in the production of the paper for the past two quarters. It would be impossible to name them all, but we wish them to know that their help was greatly needed and welcomed.

Being the editor of the paper is not completely the romantic job that is often associated with journalism as a profession. But we feel that we gained a vast new insight into campus problems and people through this job. In this sense the rewards gained far out-weighed the time spent in putting the paper out.

There are persons who helped to such a great degree that they cannot go unnamed. Mr. Wayne Wolfe is one of these. He provided assistance many times. Another is Mr. James Harless. His counsel in many situations provided the knowledge necessary for the right actions. His ability to keep things on an even keel when everything seemed to go wrong was greatly felt and deeply appreciated.

There is one person to whom not enough credit can be given for the production of the paper, and we doubt whether or not enough credit is ever given to him. That person is Donald Brod, the faculty advisor to the paper. While he acted in an advisory capacity, he also acted in every other capacity, to the point of spending his free time helping with the actual mechanics of putting out the paper. We doubt that without his help, we would have been able to last the two quarters.

In closing, we hope that everyone will extend the same courtesy and assistance to our successor, John Cegielski, who will assume his duties in two weeks.

R. B. B. Jr.

"IMAGINE! A PHI BETA KAPPA FINDING ME INTERESTING! WHY, I BARELY HAVE A 'C' AVERAGE!!"

**Juniors Eligible For Scholarship**

A scholarship is being offered to a present junior student in the field of education by the Pierce County Education Association. The student must have been graduated from a Pierce county high school and must be able to show merit and need.

Two hundred dollars is to be awarded in two installments; \$100 in September and \$100 in January of the senior year.

Those interested students should write to:

Mrs. James Roy,  
Scholarship Chairman  
302 East Walnut Street  
River Falls, Wisconsin  
for further information.  
Deadline for application completion is March 31, 1963.

Max Morath, pianist and comedian, gave a concert at the College last Thursday evening in the Student Center.

Mr. Morath started the evening by giving a short history of ragtime music. It started, he said in the 1880's and was most popular before the first World War.

Ragtime is basically built around slides, and Mr. Morath used them to great effectiveness, weaving his program around different scenes that were depicted. Mr. Morath was sponsored by the Student Center Activities Committee.

# Grapplers Capture Second Straight Conference Championship Saturday

The River Falls Falcons repeated last year's victory as they won the WSCC wrestling crown at La Crosse Saturday afternoon.

The victory was the second championship in a row and their third in the last four years. The year they did not win the crown the team placed second.

The Falcons rang up 70 points while their nearest opponent, arch rival Superior picked up 57 for second place. Superior also finished second last year but was much closer then, 72-70.

The Falcons scoring came on three individual champions, two second places, and two thirds. Superior was the only other school to take more than one individual championship with two.

Dick Culver, Jerry Halvorson and Pat Mrotek were the Falcons who placed first in their divisions, 147, 167 and 137 respectively.

For Culver it was the third year in a row he has won a

conference crown. He won the 147# title this year by defeating Terry Cole of Superior 3-1.

Mrotek was the only Falcon grappler to pin an opponent as he went on to win his second championship. Mrotek won his match 5-3, defeating Salverson of Whitewater.

Halvorson had to go the long way around to get into the finals as he was forced into overtime twice. Bassuener of La Crosse was defeated by Halvorson 3-1 for the championship.

The big and the little of the Falcon squad Dean Dix and Jerry Fehlen took seconds. Dix lost a close match to Walzer of La Crosse in overtime. However many people who saw the match claim that Dix could have been the winner.

Fehlen finished second for the second year in a row, this year in the 123# class, last year he competed as a 115 pounder. Fehlen was decided by Gibbons of

Whitewater in a tight match 1-0 for his only loss of the tourney.

The Falcon third place finishes were picked up by Chuck Hides and Ken Trudell. Trudell defeated his first opponent and then lost to Hardy of Stout the eventual 177# champion. He came back to win two matches in a row to take consolation honors.

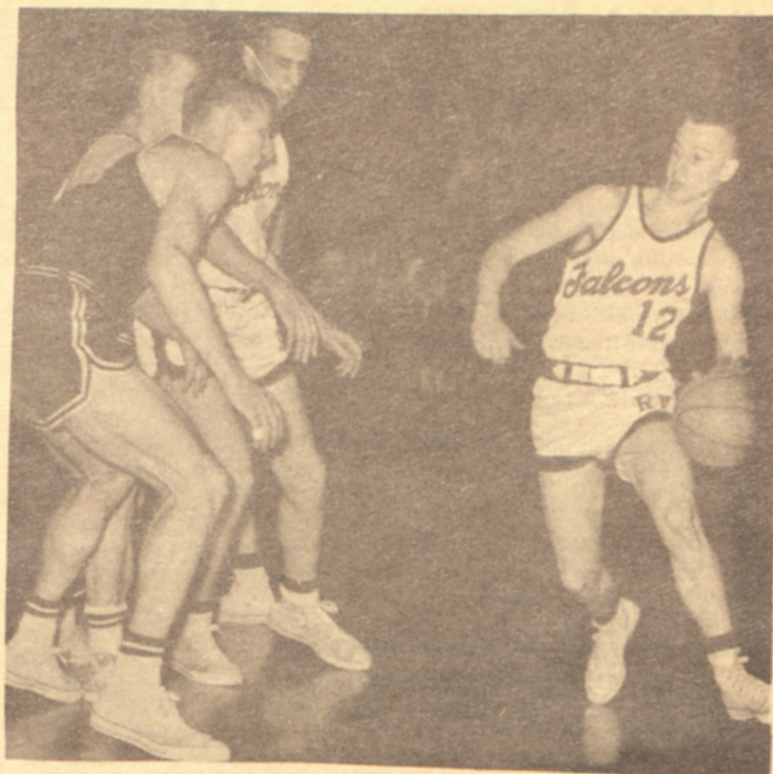

Hides lost his first match to the eventual champion, Semrad of Oshkosh 3-2, losing on riding time and then won two matches in a row to take third in the 115# division.

Jim Kanable 157#, Phil Filfiet 130, and Denny Lankgos 191# gave spirited performances but failed to place. All three lost two matches in a row. Freshman Filfiet ran into some hard luck as his first opponent was McLeary of Superior who won the 130# class, his second was Stapleford of Whitewater who came in third.

Falcon coach Byron James said "I'm very happy with it all, this is the best tournament team I've had here. The guys went out and won it for themselves, no one helped them."

The final standings of all the schools and the points they garnered are as follows:

|               |    |
|---------------|----|
| River Falls   | 70 |
| Superior      | 57 |
| Stevens Point | 47 |
| Whitewater    | 43 |
| La Crosse     | 37 |
| Stout         | 21 |
| Eau Claire    | 20 |
| Oshkosh       | 19 |
| UW Milwaukee  | 13 |
| Platteville   | 7  |

High scoring Don Koepnick in action against Stout.

## Mophia, Untouchables Tied in I-M

Things look pretty much the same in the standings after Thursday night's games except that the Mophia finally overtook the Untouchables by beating the All-Stars in a close one, 54 to 50. The Untouchables were idle that night so now both teams have identical league leading records of 11 wins and 1 loss. The Steve Allen All-Stars remain only one-half game behind with a 10 and 1 slate.

In the "F" league the 409's are still out ahead with their

perfect record of 11 and 0, but the Fabulous 5 still can overtake them with their 11 wins and one loss.

Closest game of the night was the come from behind win by the AFTPOLOS over the Eagles. The final score was 43 to 41.

No games are scheduled for this week as there are final exams and henceforward all games will begin on the half hour starting with the 5:30 game, with the last game being played at 8:30.

## Cagers Split Pair To End Season Play

Victory and defeat highlighted the last week of action for the River Falls cagers, as they edged Stout 83 - 77 Monday night in overtime and then lost 77 - 73 Wednesday night at Eau Claire.

The Falcons ended the 1962-63 season with a 6-6 mark in the WSCC and were 10-9 overall.

Earlier in the season River Falls defeated Stout by only two points 78 - 76 and the game Monday night was just as close.

River Falls jumped off to the lead with Al Kohl hitting on a jump shot from the side, from then on it was cat and mouse all the way.

The lead went back and forth the first half and neither team was able to gain more than a four point margin. River Falls led 41-38 at halftime.

Kohl started the second half by hitting two free throws and increasing the RF lead to 43-38 for the biggest margin of the night at that point. Stout then retaliated and went into the lead at 49-48 with 13:48 left to play.

Once acquiring the lead the stubborn Blue Devils, smelling victory went on to hold seven point leads of 61-55, 62-55, 64-57 and 66-59.

With 5:51 left, center Toby Garey fouled out for the Falcons and the hoped for a second victory over the Stout cagers this season looked much slimmer.

With Garey out of the game the Stout Cagers switched to a ball control game and the Falcons rallied. A free throw by Ken Lee and a field goal by Koepnick brought RF to within four, 66-62. Koepnick connected to bring the Falcons within two, 66-64.

With 2:16 left Stout missed a free throw attempted and River Falls rebounded. Stout came back to get the ball and connected on two free throws to make it 68-64.

Don Koepnick then hit on a long jumper. Stout missed a free throw and Koepnick hit again with seven seconds showing on the clock to send the game into overtime.

In the five minute overtime River Falls outscored Stout 15-9 for their seven point victory margin.

Stout was led by Fred Seggelink their fine senior center, who scored 31 points. For the Falcons their high man was once again Koepnick, who bagged 33 points. He was followed by Lee and Kohl with 16 apiece.

Wednesday night at Eau Claire River Falls outscored the Blugolds from the field 31 field goals to 27, but could only connect on 11 of 23 free throw attempts and were defeated 77-73.

John Schaaf led the Eau Claire attack with 23 points, Al Green had 16 and Tom Barry 12. Don Koepnick paced River Falls with 29 points and Toby Garey counted 12.

### 311: Good For Title

By scoring 62 points in his last two games, Don (Dusty) Koepnick overtook Ron Kampstra of Platteville for the individual scoring title. Koepnick has entered the week four points behind the Platteville ace. The Falcon senior finished the season with 311 points to Kampstra's 287. Koepnick averaged 26.8 points per game in 12 conference tilts.

# CAMEL

## EVERY INCH A REAL SMOKE!

Get the clean-cut taste of rich tobaccos... get with Camel. Get taste that speaks with authority. Distinctive. Alert. All there. Camel's got swagger—yet it's smooth. Get with Camel. Every inch a real smoke... comfortably smooth, too!

The best tobacco makes the best smoke!

RAY BUCKNER—Polar Navigation Specialist, U. S. Coast Guard. Camel smoker? You bet!

# 3-Year Program for Degree Being Studied by Regents

In a period of rapidly rising enrollments, how can the nine Wisconsin State Colleges most efficiently serve the people of the state?

Should they operate at full capacity 12 months of the year?

How many students want to earn college degrees in three years rather than four?

How much more or less would three-year degrees cost students and taxpayers-- per student and per year?

Eugene R. McPhee, director of State Colleges, reports that regents, faculties and students will learn some answers to these questions from a pilot program at Wisconsin State College at Oshkosh. A 12-week summer session, inaugurated at Oshkosh last year, will be offered again this year,

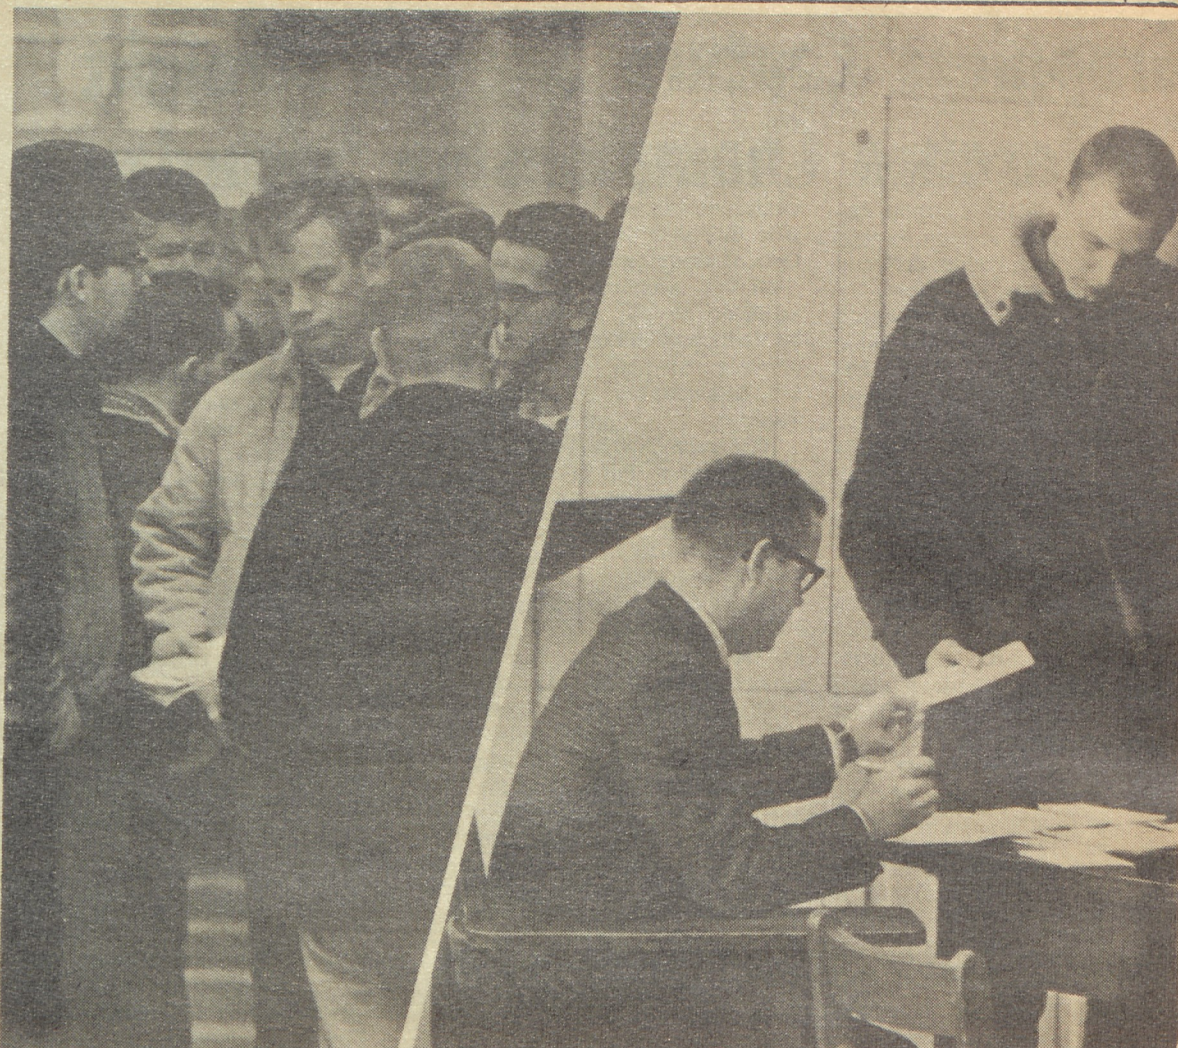

with more courses available.

End result of the study could lead to full year-around enrollment at all Wisconsin colleges including the one in River Falls.

A student who enrolled in Oshkosh as a freshman in September, 1961, will be able to receive his bachelor's degree in education or liberal arts in August, 1964, after completing six regular semesters and four 12-week summer sessions. Oshkosh was selected for the pilot project because it was felt that the 12-week session would be most useful in a densely populated area.

All of the State Colleges conduct 8-week summer sessions, designed primarily to serve teachers and others who cannot attend during regular sessions and undergraduate and graduate students desiring courses not offered during the school year.

Oshkosh last summer conducted both its usual 8-week session and the special 12-week session. Total enrollment was 1,504, with 105 in the 12-week session. More time to plan and more courses available are expected to result in larger enrollment this year in the 12-week session. It will be offered again in 1964, to enable the first year-around class to be graduated in three years.

Crowds of students, like those pictured on the left, were found all over campus last Friday morning, as they waited for that all important little card that is being handed out on the right.

## NCATE Board To Re-Evaluate College Curricula

A six-man team from the National Council for Accreditation of Teacher Education will visit the River Falls campus March 25 through 27.

Wisconsin State College at River Falls has been accredited by the National Council or its predecessor, the American Association for Colleges of Teacher Education, since 1929 and by the North Central Association of Colleges and Secondary Schools since 1935.

The NCATE group, making a regular 10 year re-evaluation visit, will be concerned primarily with the College's various curricula in teacher education--elementary, secondary and agriculture--but will also be interested in other facets of the college such as the general education program, library facilities, classrooms and laboratories and other resources of the institution.

The College was last visited by NCATE in 1953.

Chairman of the group will be Dean D. W. Tieszen of Central Missouri State College at Warrensburg. Other members of the visiting team will be Dr. John A. Johnson, director of professional education at Mankato State College; Dr. Milo J. Peterson, chairman of the department of agriculture at the University of Minnesota; Dr. Harold D. Fleming of the Division of Education at Bemidji State College; Robert C. Van Raalte, director of Teacher Education for the State Department of Public Instruction, and Don Hoeft, director of Student Personnel Services for the public schools of Sheboygan. Mr. Hoeft represents the Wisconsin Education Association.

## 3 Seniors Find Jobs

Eldon Leibzeit, economics major from Greenwood has accepted a position as a supervisor at Appleton.

## THE BELL TELEPHONE COMPANIES SALUTE: JERRY JOHNSON

Recently, Northwestern Bell promoted Jerry Johnson (B.S.E.E., 1960) to District Equipment Engineer in Omaha. On this new job, Jerry supervises a staff of eleven engineers and four clerks. Quite an achievement for an engineer with the company only two years.

Jerry showed exceptional ability from his first assignment as an Outside Plant Engineer. There he gained atten-

tion for his capable handling of a special cable project. This led to a promotion to Service Transmission Engineer, the job that preceded his most recent step up.

Jerry Johnson and other young engineers like him in Bell Telephone Companies throughout the country help bring the finest communications service in the world to the homes and businesses of a growing America.
