# Introduction

I first began this family search in 1973. It began at the San Bruno California Federal Archives, while I was helping my wife Norma Jean research her family. I had finished the assignment given me by her and decided to see if there was any thing I could find about my family. As it turned out I found my great grand father William Mathias, and great great grand father Christian Youngman and family in the 1850 US Census, Laughery Township, Ripley Co., IN. the information was that they were born in Bavaria and of course their ages was given. I was stuck there for twenty years, not able to find any thing further.

The find had given me a desire to continue the family search, so as advised I started to interview the immediate family. My mother was a valuable source of information on the Junkman's and extended families as well as her families, the Hansen. After moving to Washington and I was retired I took a Genealogy Course to learn more about what I was endeavoring to do.

Our research was ever expanding South Dakota, Iowa, Minnesota, Wisconsin, Nebraska, Kansas, Missouri, Illinois, Kentucky and Indiana. We searched in all of these states in locations the families live and have lived, spending our vacations. We also did a lot of research at Salt Lake, Utah in the LDS Family Library.

It was in Versailles, IN. that I finally was able to find information that gave me the name of the village, the Jungmann, Youngman, Junkman's home in Bavaria it was Lohnsfeld as you will note. While searching in Historical and Genealogy Society in Versailles I found the names in a card file that indicated an affiliation with our family, and a file of family group sheets that included Christian Junkman family. These files stated that all the related families emigrated from Lohnsfeld, Bavaria.

On the way home I stopped at Salt Lake, UT. and the LDS Family Library and found that Lohnsfeld was in the Winnewiler Parish. A computer search listed 32 Microfilms with Catholic Church Records from Winnewiler Parish and 7 film with records from Lohnsfeld. I spent one full winter searching and making copies of records and documents. I owe a great thanks to the LDS Family Library.

We now have the family line back to great, great, great grand father Daniel Jungmann in 1741, but now I find myself stuck again and know not what to do or where to go from here.

I have decided since hearing that the last of my Junkman Aunts Della and Doris and my Uncle Dana (Pat) have passed away, that I have little desire to continue this research. It is time that I print out this Book and share the information with those who may want it. Maybe someone will pick up from where I leave off.

There are so many that deserve credit for furnishing information that it is hard to know where to start and if I do not mention you all please forgive me.

To all my cousins, whom I will not name here, who furnished information of your marriage and your children thank you. I tried to credit you all in the notes on your family pages.

Others I will name my mother Myrtle Hansen Junkman. Florence Junkman of Minnesota and Shirley Junkman of Wisconsin who furnished names, birth, death, and marriage records of the Henry O. Junkman and his descendents. Carolyn Posthumus and Bert Kremp for the information found in Indiana that lead to the location of the Junkman origins in Lohnsfeld, Bavaria, Germany, and also led to the connection to 3rd great grandmother Maria Phillipina Kremp Wollsiffer.

Also of course the County's and there Clerks for access to records and copies of those records,

South Dakota, Wisconsin, Illinois, Indiana, and Missouri.

Need to credit the Archives of the Federal Government, Special thanks and credit to the LDS Family Library in Salt Lake, Utah and the One in Vancouver on 18th Ave, for access and copies from their extensive collections. Thanks and credit to the Winnewiler Parish, the city of Lohnsfeld, and the Staats Archives at Speyer, Germany for the records they kept and stored at the Archives in Speyer. Those records were Microfilmed by the Genealogical Society of Utah LDS, and shared with the consent of the Staats Archives of Speyer.

Along with this Book you will find an Appendices and a Scrap Book with pictures of relatives at least pictures of those that I was fortunate to acquire. I would have liked to have many more pictures especially to include on the family pages as I think that makes for more interest.

The Appendices contain family documents, and copies of dictionary translation of French, German, and Latin to English of words I found used in records both Church and Civil Records. I made these so that I could translate the records. The Church Records are in Latin and German, the Civil Records are in French and German as you will note as you check the Sources and Documents.

The Civil Records are in French is because France ruled, this Palatinate, the area that is now the southern portion of the State Rhineland/Pfalz, Germany from 1790 to 1815. Also France and this area used the French Republican Calendar which was in effect from 1792-93 to 1805, so I hope the days, dates, months and years are properly and accurately converted to agree with our present day calendar.

I had thought to print this book and Appendices but due to the size and number of pages *thought it best just to make Digital copies.*

*This project is for all generations of the family and meant to be shared with them. If it is of any value to those who receive it they can donate that value to help cover the expense and effort of thirty years of research.*

## Family Group Sheet of William Paul Junkman

William Paul Junkman.

Born: 27 Dec 1862 Ellsworth, Pierce, WI.

Died: 25 Mar 1917 Giddings, Hughes, SD.

Buried: 27 Mar 1917 Harrold, Hughes, SD.

Married: 12 Oct 1893 Advance, Stoddard, MO.

William Paul was born near Ellsworth WI. to William Junkman and Deborah Ann Showers. He was the sixth of eight children, he grew up on his fathers farm 2 miles east and 1 mile north of Ellsworth.

William inherited part of his parents farm, 80 acres: W.1/2 of SW.1/4 Sec.10, and 40acres: NW.1/4 of NW.1/4 of Sec.15, TWN 26, R17W., in 1881 when his father died.

William married May Jacobs of Golden City, Barton, MO., in 1893 when he was 31 years of age. To this marriage eight children was born .

William was a farmer and a harness maker. He farmed his inherited acreage, and as a leather worker he made and repaired saddles, harness, shoes, and boots.

William sold his land in WI. and his leather business, in May of 1905, he moved his family to Canning SD. Taking up a land claim of 160 acres by purchase at \$1.25 per acre. The land, NW 1/4 Sec 28 T110N R75W, the Patent was issued and signed 14 Jan 1909, President THEODORE ROOSEVELT, by M.W. Young. The homestead was in Raber township, 13 Mi. S., 13 Mi. E, of Blunt, also east of Canning. It was about 3mi.west of Arnot, and Giddings, about 10 Mi. from De Grey. Doris Junkman Fairbanks presented me with the original Patent,after she found out that I had found copies of the land documents and made copies of those on record in Hughes Co. Clerks office.

The family lived on a place 4 Mi. north of Canning, while a house and barn was being built on the homestead. The building was done with the help of neighbors, J. R. Fowler, George Mathews. H. P.Wiley, C.E. Dickenson, George Candy, Fred Sickles, the Whitney's, and the Keys. They moved onto the homestead in the spring of 1907. They hauled water from a well on the Fowler place, received their mail at the Arnot post office, bought groceries at De Grey and Canning.

Junkman's farmed 70 acres in grains, raised horses and cattle on open range pasture rented from the government. They had several milk cows and sold milk, butter, and cream, raised pigs, also chickens, and eggs for sale. These produce were sold and traded at Canning and De Grey.

The open range became no longer available for rent so he had to sell off his stock. He held a Public Auction in 1911, selling all the stock but a 4 horse team, all machinery except a wagon. Some of the household goods were saved and hauled back to Wisconsin, by wagon, which William drove. The family, wife and children, stayed with the Jackson's and Hamilton's, family

relatives. They later followed by train. William worked farming for others using his team, rented a farm 9 Mi. north of River Falls for 2 years on shares, then rented a farm 4 Mi. south of Roberts, WI. the crops were not to good and he lost his lease.

They moved back to South Dakota in the fall of 1916.

William died 25 Mar 1917 of Reynaulds Disease.

This information was garnered from Interviews with Grandmother May Junkman, Donald Junkman and Darwin (Nap) Junkman . Aunt Della never agreed with this even though the the proof was put before her. I Have the opinion that she did not like her father.

Mary Jane (May) Jacobs

Born: 12 Oct 1870 Du Quoin, Perry, IL.

Died: 5 Apr 1973 Redfield, Spink, SD. (102 years, 5 Months, 13 days)

Buried: 9 Apr 1973 Harrold, Hughes, SD.

Married: 12 Oct 1893 Advance, Stoddard, MO.

Mary Jane Jacobs was born, 12 Oct 1870, the third child of Basil Jacobs and Nancy Armilda (Hamilton) Jacobs. The Paternal Grandparents, Joseph R. Jacobs and Susan Foster. The Maternal Grandparents William H. Hamilton and Nancy Armstrong.

Mary Jane's parents were farmers in Perry Co, IL. near Du Quoin, when she was born. Her mother, Armilda was killed in a buggy accident in 1876, when Mary was about six years old. Her father, Basil died of Pneumonia in 1880, at Golden City, Barton, MO., she was about ten years old. She and her brothers were sent to live with relatives. Mary lived with her aunt Mary and uncle Jerome Hodges. Aunt Mary Hodges was her mothers older sister. It was at this time she became MAY. Jerome Hodges would not let another one named Mary in the house to confuse everyone so he insisted renaming Mary. Mary put her foot down and said if she could not use her name she would choose a name for her self and not anyone else, so she became May. Jerome and Mary Hodges ran a Hotel and Cafe, in Golden City MO, May worked for them.

May married William Paul Junkman of Pierce Co. WI., at Advance (Lakeview), Stoddard, Mo. 12 Oct 1893. May and William were now related also thru marriage. May's mother's brother Sam Hamilton was married to Sarah Junkman, who was William's sister.

To this marriage Eight (8) children were born. They were all named with names beginning with a "D".

The Junkman's farmed In Wisconsin until 1905, and then in South Dakota. After William died in Mar. 1917, May with her sons, Don and Darwin continued to farm the homestead in South Dakota until the fall of 1918. She with daughters Della, Doris, and son Dana (Pat) moved into Blunt, SD. so the girls could go to High school. She bought a house on the west side of town. Her son Douglas worked the farm for a few years, 1918 -1922, she later traded the 160 A. Homestead for a Restaurant. May and her daughters worked in a restaurant for a man named Anderson, until he decided to go out of business, and May made the trade. The restaurant was on the east side of main street near the Bank. She ran the restaurant for many years and continued to live in the building after going out of business until about 1950.

May lived alternately with daughters Mrs. Wendell Miller (Della), and Mrs. Charles Fairbanks (Doris), until 1968. From 1968 to 1973 May was at the James Valley Nursing Home, at Redfield, SD. May died at the home 5 Apr 1973 at the age of 102yrs. 5mo. 23 days. May was buried beside her husband at Harrold, SD. 9 Apr 1973.

### DONALD PHILIP JUNKMAN

The following is an account provided by Donald, representing his story, in his own words.

I, Donald Philip Junkman, was born October 25, 1899, in Pierce Co., WI. I was the fourth child of William Paul Junkman and Mary Jane (May) Jacobs. There were two older brothers, one sister, and two younger brothers, two younger sisters.

My dad was a leather worker, he made harness, saddles, boots, shoes, and made repairs to those. I started school at age of 5, at East Ellsworth, WI., I did not get along with the other kids or the teacher, so I was sent home a lot.

Dad sold his leather business and farm in May of 1905 and moved to Canning, SD., he took a claim of 160 acres. The NE 1/4 of section 28, TN 110 N R 75 E. While the building of house and barn was being done we lived on a rented place 4 miles north of Canning, SD. I and the older kids went to school in Canning. We walked in good weather and drove a single horse and wagon in bad weather. We did get caught in a blizzard in the winter of 1906, that lasted for 3 days. A neighbor living close to the school took us kids into their home, Dad came for us after the storm.

The spring of 1907 we moved down on the claim. Dad and several neighbors had built a house and barn. Our neighbors were J. R. Fowler, Geo. Mathews, H. P. Wiley, and C. E. Dickson to the east, Geo. Gandy to the north, Fred Sickles to the south, and the Whitneys and Keyes to the west.

We hauled water for the house from the Fowler's, 4 barrels at a time in a wagon. The live stock watered at the creek south east of our place. We got our mail at the Arnot post office, 3 miles away, Mrs. Geo. Mathews was the Post mistress.

Dad bought several milk cows, which the whole family milked. Mother churned butter and sold it at the Canning store, I think she got 15 cents a pound. We also had chickens and sold eggs at 8 cents per dozen. Several neighbors bought our milk at 10 cents a quart. We raised pigs for meat and had lots of garden stuff to live on. The stock pastured on open range, was taken to water every day and brought home each night. It was mostly my job to get the stock home, some times from several miles. I rode a mule much of the time and some times a horse, some times I went swimming while the stock watered.

When school started in the fall of 1907, there were 17 kids attending the Giddings School. There were 4 Gandy's, 4 Sickles, 3 Keyes, 2 Whitneys, and 4 Junkman kids. The school was 12' X 16' shack, sodded up to the top of the window. We got a new school in 1908 that was large enough for all the kids, also to be used for social functions, such as pie socials, dances and other celebrations.

In 1909 a family bought the place a mile west of us and fenced in a lot of our open range, then the J. R. Fowler fenced in the open range on the east side, causing a lot of hard feelings. We only had a section of land left for our stock and farming, so dad had to sell down to fit the pasture, this was in the fall of 1910. The fall of 1911 dad had a sale at public auction. He sold all the stock but 4 head of horses, also all machinery and much of the household goods. We moved back to Wisconsin.

In WI., the spring of 1912, dad rented a farm 9 miles north of River Falls on shares. Dad had worked all winter for other farmers in the area, using his teams of horses. The two older brothers, Dave and Doc., had jobs on farms near by. Dad farmed the place for 2 years, then rented a place 4 miles south of Roberts WI. The crops were very poor so we moved back to South Dakota in 1916. The Byrum's were renting and living on our place so we lived at the Nolt place thru the winter, before returning to our place. Things got very tough for us as we had no work and had to buy feed for the stock.

Dad died in the spring, March 25, 1917, and was buried at Harrold, SD.

I worked for Paul Wiley the winter of 16-17, for \$25 per month. In 1917 I worked for J. Duboise, and Geo. Coler. In 1918, I worked for O. E. Severson 4 miles south of Blunt, SD., and in the fall of 1918 I went to work on the Oneil Ranch, 22 miles north of Midland SD., I worked there until May 1921. My brother, Doc, was farming the home place, I helped

1918, I worked for O. E. Severson 4 miles south of Blunt, SD., and in the fall of 1918 I went to work on the Oneil Ranch, 22 miles north of Midland SD., I worked there until May 1921. My brother, Doc, was farming the home place, I helped

him and worked for neighbors.

I met Myrtle Hansen, my wife, at a dance and party east of Canning that summer. I continued to help Doc and worked for Bill and Paul Byrum the winter of 1921-22.

Myrtle and I took in all the dances and parties after meeting and we were married June 11, 1922. We rented the Sickie place and lived there until March 1924. The twins, Lorna and Lorayne were born at Blunt, SD. October 23, 1923. March of 24 we moved to Blunt and I worked at the Lumber Yard until spring, then went to work for Bud Oneil at Draper, SD., then on his farm at Allen, NE. in the spring of 1926 we went back to Blunt, where Carl was born April 24, 1929. I worked for John Crouse and J. D. Implement at Blunt.

In 1929 went to work for H. Brown Ranch at Potato Creek on the Indian Reservation, near Interior, SD. In April 1930 we moved to Phillip, SD., where I worked for L V. Brown Plumbing. I bought the Plumbing Business and ran it until 1943.

We had three children born in Phillip, SD. Bill November 3, 1931, Della July 25, 1934, Roger May 10, 1939. We moved to Pierre, SD. the fall of 1943, and I worked for Carl Berry for 9 years. 1952-1958 I worked construction, plumbing and carpentering. 1958-59 worked as carpenter at Springfield, MO.. 1959-61 worked for brother Pat (Dana) at the P V Grain Elevator, at Blunt,SD.. Worked for Frank Nash on his farm west of Fort Pierre, SD., for 12-13 years 1961-1974. Myrtle died December 1972. I retired and went to the west coast with Carl and his family.

Donald P. Junkman

Donald P. Junkman Married Rose Silva Emmsly November 15, 1976 at Vancouver, Clark, WA., they lived in California, they separated in 1980. Don spent 3 or 4 years in South Dakota living with and caring for his friend and old boss Frank Nash in his last years, after Franks death in 1984, Don returned to Washington, spending his last days with his sons Carl and William. Donald died May 28, 1986
