years, graduating in June 1947.

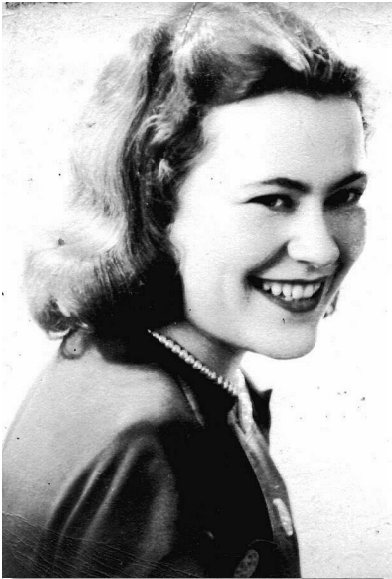

I Completed eight years of school at Phillip SD. Graduating eight grade in April 1943. We moved to Pierre SD. in 1943 where I went to High School four

During the summers of 1944 and 45, I worked for my Uncle Wendell Miller on his farm near Cresbard, SD. In the fall of 45 near the end of harvest I had an emergency appendectomy operation at the hospital in Faulkton, SD. and got home just before school started.

In Sept. 1945 I started working part time after school, weekends, and vacations, for Don Leffengren Body Shop. I did all kinds of mechanical work but especially auto front suspension, steering and alignment, body repair and painting. When I graduated in 1947, I had to find other work as there was no opening for me as a full time employee.

I tried to enlist in the Air Force but was rejected for medical reasons? I then went to work for Al's Construction in Pierre, where I worked for nearly three years. I set up and ran a ready mix concrete plant, later only driving truck to deliver concrete. In slow seasons drove other trucks such as dump trucks, but mainly tractor-trailer (lowboy) hauling heavy equipment.

Carl Eugene Junkman

I married Norma Jean Nelson on 11 Mar. 1949. I had met Norma and went to high school in Pierre with her. We started going steady and fighting in 1946, gave up the fighting for marriage in 1949.

Our first home was a 19 ft. travel trailer which we parked at my folks at 1318 E. Park St., after 3 months we rented an apartment from Whitneys on Harrison Ave., we lived there for about one and half years. Then we bought a small two room house at 310 E. Dakota Ave.

In May of 1951 I went to work for Henry H. Hackett and Sons, as a laborer/Welder on the new Lincoln grade school in west Pierre, May 1951 to Jan 1952.

In Dec. 1951 I received congratulations from my friends and neighbors. I was drafted into the Army in Jan. 1952, Inducted 15 Jan 1952 at Sou ix Falls SD., Transferred to FT. Sheridan, IL., for reception and on to Camp Breckenridge, KY. for basic training with the 101st. Airborne Division.

Completed basic training May 1952 and shipped out aboard the USS Collins from Seattle WA. to Japan. In Japan I was assigned to Co. G 180th Inf Reg., 45th Div. and shipped to Korea.

I landed in Korea at Pusan 17 July 1952 and moved by train, truck and foot to join my outfit. As a squad leader I was promoted to corporal, assistant platoon leader to Sargent and to Sargent First Class. I served on line for a little over 11 months, in combat situations under

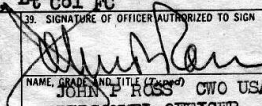

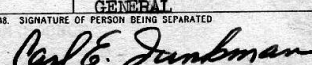

fire and had earned enough points for rotation in about 9 months, but did not get replaced and ordered home until June 1953 I was ordered to report and process for rotation no later than 5 June 1953.

I left Korea from Inchon aboard the USS Gen. Meiggs, ordered to Camp Stoneman CA. We landed at San Francisco, CA. 23 June 1953 and heard that peace had been declared in Korea on that date. On 24 June 53 I was assigned and transferred to Camp Carson CO. for reassignment and a 30 day leave.

Carl Eugene Junkman

In July after my leave I was assigned to Service Co., 31st. Div. at Camp Atterbury, IN. where I served until 15 Oct 1953, I was released from active duty and assigned to the
5111 ASU SD.

Carl's Army Discharge

Carl Eugene Junkman

SFC Robert Kindervaugh and SFC Carl Junkman, aboard the USS Gen. Meiggs, returning from Korea. Picture taken under the Golden Gate Bridge as the ship was Coming into San Francisco.

Coming home in October, in the winter with the weather in South Dakota, left me facing several months without a job, however Norma Jean had made arrangements for a new home so I did have something to occupy me, "Sweat Equity". After being flooded out of the little two room home on Dak. Ave. in the spring of 52, when the Missouri River put the lower part of Pierre under water, Norma decided to move to higher ground. She made arrangements to build a new home at 406 S. Pierce St.

I laid around and worked on the new home all winter Oct. 53 to Mar 54

Carl Eugene Junkman

then I was able to go back to work for H. H. Hackett for two months. About May 54 I started working for Mittery/Oahe Contractors on the Oahe Dam Project, also on a second job for a small local Contractor, R. O. Schmidt, in Pierre.

I worked two full time jobs, one day one swing shift each day from 1954 to 1963. For the contractors at the Oahe Dam, on the Missouri River, north of Pierre SD., I worked swing shift as a Concrete Finisher, on the Outlet Works which included intake Structures, six Tunnels, Control Shafts, and Structures, Discharge Structure and Channel, until Mar 57.

For R. O. Schmidt, on day shift I ran work for him as a working foreman. We built houses but did mostly concrete work specializing in curb and gutter, sidewalks, basements, and other flat work. The housing was mainly one or two houses per year, scheduled so we had work for the winter.

Our three children were born during this time, all at St. Mary's Hospital in Pierre SD.

Collin Gene Junkman Born: 2 Aug 1954
Judy Ann Junkman Born: 15 July 1955
Kevin Lee Junkman Born: 27 Apr 1962

In Mar. 1957, I stopped working for the contractors on the Oahe Dam, and 17 Mar 1957, I started work for the US Army Corps of Engineers, Omaha District, as a Construction Representative. I was inspecting the work and materials of various contracts on the Oahe Dam and control structures. I continued to work two jobs as the Corps allowed me to work swing shift. I continued to work for R.O. Schmidt days until the fall of 1959. I did contracting of concrete work on my own from 1959 to 1963.

In 1958 I had a leave from the Corps to work for J.A. Jones Const. on some tunnel work on the Derbendi Khan Dam in Iraq, 150 mi. N.& E. of Baghdad near the Iran border.

I worked for the Omaha District Mar. 1959 to Sept 1963. We transferred to Portland District of the Corps of Engineers Sept. 1963. Worked on the Green Peter and Foster Dams near Foster Oregon. We bought a House in Sweet Home Oregon at 845 4th Ave. it was a three bedroom ranch with attached garage. Later just before the job was completed we sold this house and a rented a place at 457 12th Ave until we transferred in 1966.

In Sept 1966 we transferred to the Seattle District, Libby Dam Project. I was Chief of Construction on the 7 mile Flathead Tunnel including 4 miles of railroad grade for the relocation of the Burlington Northern Railroad from the Libby Dam area. We lived at Trego MT., rented a 3BR mobile home from the government. Aug 69 to Nov 70 we lived in Eureka MT., also in a govt. mobile home. I was Chief of Const. on 20 miles of highway construction which included 4 bridges.

In Nov 1970 we transferred to the Sacramento District, New Melones Dam Project, Jamestown CA.. I worked on the Dam, Diversion Tunnel, Spillway, Power House, Road Relocation, and 2 Bridges. When we first arrived in California, there was no housing available so we decided to buy a Mobile Home, which we set up in a Park in Sonora CA.. Later moved it to a Park

Carl Eugene Junkman

set up by the Govt. near the New Melones job site. We lived there until I retired at the end of the Project in 1979.

I retired from the US Army Corps of Engineers 18 Aug 1979, with 24+ years of credited service including my military time.

I was hired in Aug 1979 by Groves/Atkinson Contractors as Superintendent for construction of a Bridge to span the Columbia River on the Interstate 205 between Portland OR., and Vancouver WA.. I worked this project 1979 thru 1980.

We bought a 3BR 2Bath Ranch house at 1321 NW Maple Lane Camas, WA. Aug 1979, where we presently maintain our home.

She sang in the school choir, and was intensely interested in Sports, participating in Basketball, Track, and Swimming. Still today she is an ardent fan of basketball. A fan of the Portland Trail Blazers.

She worked as an operator for Northwestern Bell Telephone Co. in Pierre SD. for 7 years, 1947 to 1954. Quitting work to raise the new and up coming family. Three children: son Collin Gene Junkman born August 2 1954, daughter Judy Ann Junkman born July 15 1955, son Kevin Lee Junkman born April 27 1962.

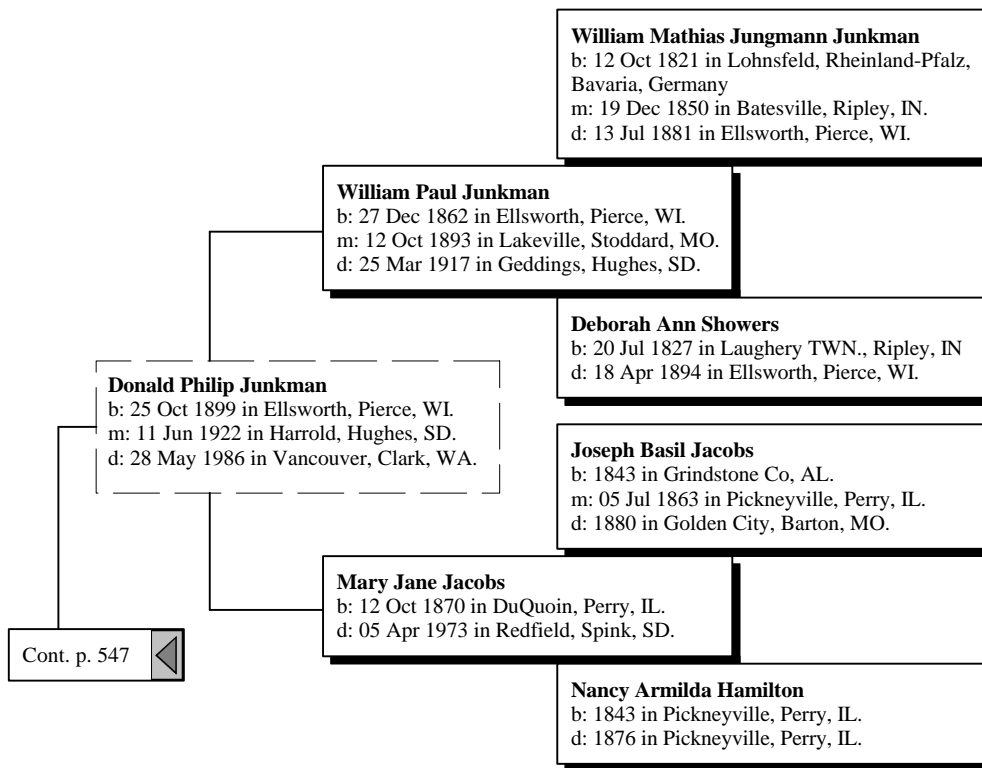

On the last move to Camas Wa with the two oldest children gone and Kevin in his last year of school, she went to work for Able One Answering Service, Vancouver, Wa. for ten years, enjoyed the work and fellow employees.
